ANY CHEST COLD MAY BRING BRONCHITIS OR TONSILLITIS

The irritating, tickling cough affects the lung tissue and wears down nature's power to resist disease germs.

SCOTT'S EMULSION

suppresses the cold, allays the inflammation, steadily removes the irritation and rebuilds the resistive power to prevent lung trouble.

SCOTT'S has done more for bronchial troubles than any other one medicine. It contains no alcohol.

Because labor is scarce do not neglect to make good seed beds—they conserve seed and are a first defense against low yields.

Clean up the old coffee grinder, or buy a new one, and grind your own corn meal for griddle cakes, muffins, and bread. If you do not like bread made of corn meal alone use some wheat flour with it. Since home ground corn meal does not keep long it is better to buy whole corn by the bushel and grind for meal as needed.—New York State College of Agriculture Ithaca.

When you lose something—although this is not a hope that you will—let your first thought be to publish a "lost" ad.

I WILL HAVE LOTS OF FERTILIZER

on hand for all kinds of crops during the rest of the season.

TABLE LINENS
We Could Not Give You Better Advice Than to Buy Table Linens Now.

Scarcer and scarcer become stocks of real Table Linens the country over.

Today we show you more pure Linen Damask than many large city stores, but each day diminishes the supply and these will have to be replaced largely with Mercerized Damasks, so it is no idle advice or warning when we say "Buy Table Linens now."

Conditions seem to warrant the claim of the Importers that it will be a long time after the close of the war before pure Linen Damasks will again be plentiful.

Therefore attend this sale.
