After a boy passes into High School his clothes are a source of pride, rather than a mere necessity. The wearer of fine clothes has a right to be proud. The very kind we know this will give satisfaction is why we selected such makers as the Stein-Bloch Smart and Clothcraft Guaranteed Clothes.

Belted back and all-around belted Coats are the favorite and appropriate model for the young student—prices as reasonable as good clothing can be bought.

Our \$15, \$18 and \$20 kind are values we know cannot be duplicated.

Hats and Caps for the young man also.

## GREENWOOD LOCAL BRIEFS

Spring so anxiously looked for has finally arrived.

Farm work will now hustle.

B. F. Lewis, who has been sick for some time, is now convalescing.

Mrs. Thomas Eagan and children, of Buffalo, were called here Sunday by the death of her mother, Mrs. Jane Shelley.

Mr. and Mrs. George Rapplee, of Bemus Point, N. Y., made a brief visit with Greenwood friend Tuesday.

Mrs. Mary D. Webster, who has been ill for a few days, is improving.

Miss Minnie Shaw gave a dinner party, Wednesday p. m., in honor of Miss Ina Gregor, a member of the high school faculty.

Miss Jane Shelley passed away at her home in this place, May 12th, after a lingering illness, aged 76 years. She leaves to mourn her loss one son, Ralph Hale, of Jasper, and three daughters, Mrs. George York, and Mrs. Menzo Knight, of Greenwood, and Mrs. Thomas Eagan, of Buffalo, N. Y.

Mrs. Shelley was a highly respected woman and had been a resident of Greenwood for many years. Rev. J. L. Box, of Canisteo, officiated at the funeral services which were held at her late residence, Tuesday.

W. O. Slocum was in Hornell Monday.

There is a great scarcity of farm labor throughout the country. Our farms are largely tilled by old men who are unable to properly work them, the young men having been drawn to the cities by the lure of city life. We have land enough to produce all the food necessary providing it was worked to good advantage. An importation of Chinese labor would relieve the situation, but that would raise the ire of the Sand-Lotters.

The life of the Russian Republic appears destined to short duration. A republic can stand only when the people are fitted for it. The Jews, after their deliverance, long to return to the fish pots of Egypt.

The Germans seem to be more successful in intrigue than in battle. It now looks as though they had turned the spears of one of their most powerful enemies and had converted them into neutrals.

The assinine congress ought to be turned out to pasture. They rejected the volunteer system as inadequate to provide an army, but that did not make it necessary for them to turn down Teddy and his 200,000 volunteers. The moral effect of 200,000 volunteers would be greater in Europe than twice that number of drafted men and the conscription could have continued the same.

It looks as though the U-boats might decide the war, and if in favor of the Germans, freedom might make its last shriek.

Mrs. Miner Shaw was a visitor to Hornell Tuesday.

Comed delivered eight toasts to parties Wednesday. There

is always a market for good bred stock.

Mrs. Elizabeth Pease, of Hornell, is visiting her uncle, B. F. Lewis.

Miss L. B. Long, our physical training teacher, spent the first part of the week at Syracuse.

A May Festival is to be given by the school Friday night, at Masonic Hall. It is under the supervision of Miss Long and shows some of the work the physical training teacher is doing in our school.

Miss Dorothy Slocum was home from Dansville for Sunday.

Theodore Cobb, of Spring Mills, was a business caller in town Wednesday.

Miss Irene McGregor and Martin Jeffords were Hornell visitors Saturday.

Glenn Robbins and Mr. and Mrs. Claire Crittendon, of Whitesville, motored here Sunday to visit at the home of Mr. and Mrs. Guy Plaisted.

Misses Jennie and Ella Vanderhoef, of Canisteo, visited their grandfather, Chas. Jackson, the first of the week.

Mrs. Fred Wilcox has gone to Buffalo for medical treatment.

Miss Ellen Young was a business visitor in Hornell Friday.

Mrs. Bess Coston and daughter Francis, of Whitesville, visited at the home of N. E. Coston, Saturday.

Mr. and Mrs. Lewis, of Genesee, attended the funeral of Mrs. Jane Shelley, Tuesday.

Rev. J. L. Box, of Canisteo, was in town Tuesday.

Mr. and Mrs. Leo Birmingham were in town Saturday.

## THE FEDERAL TAX BILL

The war tax bill as drafted by the house of representatives is expected to raise \$1,800,000,000 per year. Its principal features are as follows:

It makes material increase in the income tax rate so that the lowest taxable income is to be \$1,000 for unmarried men and \$2,000 for married men.

It provides surtaxes on big incomes so incomes of \$500,000 are taxed 37 per cent.

It makes advances in the inheritance taxes, virtually doubling the revenue at present derived from estates.

It makes an advance in the present tariff by 10 per cent, ad valorem horizontally.

It puts a tariff of 10 per cent, ad valorem on all articles now on the free list.

It puts taxes on railway tickets and freight; on amusements of all sorts; on luxuries of all sorts, including cosmetics, perfumes and patent medicines.

It puts taxes on heat, light and electric power; on telegrams and long distance telephone messages; on telephone bills.

It puts advanced tax rates on the manufacture of tobacco, cigar and cigarettes; and on whiskey, beer and wines.

The bill was introduced in the house to-day.

The income tax sections of the bill show vast increases in the rates of taxation from present standards. All unmarried individuals will be taxed on \$1,000

income two per cent, and all married men the same on \$2,000 incomes.

The basic rate of income tax has been fixed at four per cent of incomes of \$5,000 a year. The surtaxes grade from that point upward. The schedule of surtaxes follow:

\$5,000 to \$7,500, one per cent.

\$7,500 to \$10,000, two per cent.

\$10,000 to \$12,500, three per cent.

\$12,500 to \$15,000, four per cent.

\$15,000 to \$20,000, five per cent.

\$20,000 to \$40,000, six per cent.

\$40,000 to \$60,000, eight per cent.

\$60,000 to \$80,000, eleven per cent.

\$80,000 to \$100,000, fourteen per cent.

\$100,000 to \$150,000, seventeen per cent.

\$150,000 to \$200,000, twenty per cent.

\$200,000 to \$250,000, twenty-four per cent.

\$250,000 to \$300,000, twenty-seven per cent.

\$300,000 to \$500,000, thirty per cent.

\$500,000 and upward, thirty-three per cent.

There will be much opposition to the taxing of small incomes of from \$1,000 to \$5,000 and it is not unlikely that all incomes of \$3,000 and less will be exempt.

## THAT MORNING LAMENESS

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Andrew Man's testimony.

J. P. Remington, retired carpenter, First St., Andover, says: "I think the hardships I endured in the war of '61 was what affected my kidneys. At times I am bothered by attacks of kidney trouble which are so bad I can hardly get out of bed in the morning as a sharp pain strikes me in the small of my back. I have to get up several times at night to pass the kidney secretions and they contain a brick dust like sediment. I use Doan's Kidney Pills at these times, which I get at the Brunledge Drug Co., and they cure me of the attack, fixing me up in quick order."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Remington uses. Foster-Milburn Co., Props., Buffalo, N. Y.
