HOOK'S BENEFIT MINSTREL SHOW

To the People of Andover:

The Hook & Ladder Co. of Andover has purchased a chemical auto truck from the La France Fire Engine Co. of Elmira, N. Y., and wish to ask your assistance in helping us to pay for the same. Nothing in years has taken place in Andover that will be as much direct benefit to you as the purchase of this chemical truck. No one knows when you may be only too glad to call on us boys to save your home or perhaps your lives.

Please stop and think that we serve you without pay or compensation in any way, but often risk the loss of our clothes and even sometimes the loss of our limbs, but still pay our dues each month out of our own pockets to try to keep up a good fire company in your village. Every one should help. You owe it to yourselves and your families. Don't neglect, but please come out and help. We do, and are going to continue to do, all that is in our power for the benefit of the Hook & Ladder Co. and the people of Andover, so please, in return, turn out and help.

Mr. J. H. Anderson, president of the Up-to-Date Advertising Co. of Canisteo, N. Y., whose employees have put on one of the best minstrel shows seen in years by the writer, will send these boys, twenty-five strong, to Andover on Tuesday, May 22, 1917, without compensation except what necessary expense they will be to.

Mr. Anderson said when interviewed by the writer after the show which was given at the Elks Club, Hornell, before more than four hundred members, on Wednesday evening, May 9th: "Why yes, we would be pleased to come to Andover and help you boys out. If it can be arranged satisfactorily, we will come twenty-five strong, and put our show of as good, if not better there than here. You need not divide your money with us. Just treat our boys, which I know you will, in the right way, and we will do the rest."

Mr. Anderson certainly has a fine bunch of young men in his employ and they put on a fine entertainment, are good singers and dancers, and the show all the way through is clean and up-to-date, and Mr. Anderson seems to delight in seeing the boys enjoy themselves and is willing at all times to do all he can to assist them, even going down into his pocket when necessary.

Merriman's celebrated full orchestra will furnish the music for the show and dance. The music is catchy and up to date. We don't believe that Merriman's full orchestra has ever been in Andover before, but will be present at this doings. After the show dancing will be indulged in until two a. m.

Tickets to the show 50c, gallery 35c, boxes 75c. Tickets for dance 75c.

Come out and help the boys in a good cause. Get your seats early as we are going to have a packed house.
