### Where Scft Vowels Obtain

The American who has lived for any length of time in the island has taught himself Spanish. He sees the need of it in his business. The Porto Rican who could profit to the same extent were he to learn English has not yet discovered that he could turn the same trick. Occasionally there are exceptions to the general rule and when we find the exception when we find the exception and when we find the exception we find a fellow making good. After struggling against the overwhelming odds of a current of soft voweled Spanish, it is a blessed relief to find someone who can speak United States and one is willing to give up handsomely just to hear the language and in most cases the giving is most cases the giving

If the foregoing has enlightened It the foregoing has entigmented the readers of this paper as to the character and kind of peoples who are now to become United States citizens your correspondent is delighted. If however, after the contract of the contrac ent is delighted. If however, af-ter reading the foregoing, you have to admit you know no more about them than before, you will be in the same class with your correspondent More than this you will be in the same / general class with most of the Americans who have inhabited Porto Rico same the occuration. No one

sance the occupation. No one claims th understand the native.

Conquest of territory would be fun if if were not for the people.

We Amriecane have a happy yearthy of indeging the amount of wedne to be squeezed out of a position. When we occupied bette Rico we were not long in thing up the money making positifies. We went in and made this in the seventh-day control of the contro

and he dows't understant, yet will we don't. The Filipino once and to the missionary, "As I understand it, you want me to accept your faith, cram my head with education, in order to fit myself for a life in which I may win wealth and honor and retire to a restful old age!" The missionary

## There is Punch and Pep in ACHIEVEMENTS .

Written by J. E. Jones

written by J. E. Jones

Mr. Jones is the Washington correspondent of this paper, and his work has attracted favorable comment throughout the country.

ACHIEVEMENTS is national, clean and wholesome. It is a small prize package of good a things.

A subscriber writes: "If the future copies are as good as the first it will be worth at least \$100 to me." Another one says: "It's a nice bit of eleverness." Still another: "I regard it a duty and in creating and distributing the clean, intelligent analysis of current events such as you have presented."

Send 25 cents for the first four numbers.

Published monthly, \$1 a year; 15 cents a copy.
