A Porch Made Comfortable With Coolmor Shades

Coolmor Porch Shades make your porch cool and comfortable. Coolmor Porch Shades give you extreme seclusion. Coolmor Porch Shades "permit you to see out but outsiders can not see in." Coolmor Porch Shades make a sleeping porch of an ordinary porch at a very slight expense. Coolmor Wind-Safe Porch Shades—unlike most porch shades—add to the appearance of your home for the reason that beautiful color combinations are easily secured with the Coolmor wide and narrow slat alternate weave which it is impossible to secure when shades are made entirely of wide slats or entirely of narrow slats. Coolmor Wind-Safe Devices are attached directly to the porch and not to the shade, consequently they take the wind pressure off from the shade. Coolmor Wind-Safe Porch Shades are priced from \$2.50 to \$8.00.

Coolmor WIND-SAFE PORCH SHADES
Beautiful, Effective, Durable
Don't Flap in the Wind

Porch Swings and Couches

Comfort and practical—such has been the aim successfully carried out by the makers who have designed and built these large roomy canvas swings. Some of them have legs that can be let down to make a couch at night. Swings priced from \$8.50 to \$15.00

SUMMER FURNITURE

It is quite a fact—the home can be made a veritable summer resort with the proper furnishings. For the porch, what could be more restful, cooler and better looking than one of these large ample arm chairs of wicker, upholstered in cool cretonnes, such a chair that lulls you into memories of long ago?

You will find this department filled with wicker and grass furniture that fairly spell comfort, radiate luxuriousness and shout durability.

Wide range of styles and priced from \$2.00, \$2.50, \$3.00, \$3.50, \$5.00 up to \$20.00.
