To the Editor of The Evening Post:

Sir: The letter given below was written by one of our National Guardsmen, a Greek by birth, to his family, in reply to a request that he ask for his discharge from the army on the ground of having a family dependent upon his earnings. It may serve as reminder of the high patriotic fervor and power of emotional expression that the best of our foreign-born citizens from southern lands have brought as a gift to our country.

A small American flag was pasted in the upper right-hand corner of the letter.

A READER.

New York, May 27,
——, N. Y., 5-15-17.

Dear Aristo. Explain all this to your mother My dear Mana and Elly and Olga at the present time Feeling very good I hope the same for you.

take notice at this little flag and see how pretty it Looks, and think about its three nice colors.

We have in our Regt., a big silk one and when I look at it waving, seems to me that its waving shows me the way to haven, and know my dear wife that nothing can take me away from it, while the country is in war.

My dear, I will defend with all my might the Flag the Country and our rights Even if it means my death.

But if you and our children should be Lucky, and all turns out well, when I return we will enjoy the best of our lives with the Honor that I have shown I was ready to defend with my Life the Country who gives us and our children living.

Being that you ask me how you are going to exist while I am away, this is what I would do in your case. I would look for work for our son as he earn undoubtedly now $5 to $7 a week.

and if you could find work for $5 to $7, this would make 15 a week, wich would suport you witih what I will send you each month From my pay.

and the 2 children you can put in a day nursery while you are at work.

and please do not wright to me any more to make an application to get out From the service because I am getting so sorry.

I will stick to the end, till the war is over.

ARE PRICES HIGH?

At prices a year ago, it would have taken 50 bushels of wheat to buy a Liberty bond; to-day, one can be bought for 25 bushels.

Last year, a farmer could build a silo for the price of 800 bushels of corn; to-day, he can build the bushels.

Last year, it cost a community the price of 16,000 bushels of wheat to build a mile of permanent highway; to-day, a mile can be built for 8,000 bushels.

Last year a farmer had to raise a thousand bushels of wheat to buy the tractor with which to till his field; this year he can buy two tractors for the same amount.

Everybody should buy a Liberty bond.

Was there ever a more favorable time to build a silo, to buy a tractor, to build permanent highways?

Now is the time to exchange your farm produce fo those necessities.

By doing this, capital will be created and placed in circulation. Prosperity will be stimulated, labor kept employed at good wages. The dollar will be kept rolling an more of our citizens enabled to

Dr. Eberle and Dr. [illegible] as well as Dr. Mitchell [illegible] authors—agree that whatever helps to the disease, the first [illegible] furnishing us with a clue to the principles upon which it is to be treated, and accurate knowledge concerning the nature of disease can then be obtained. If backache, scalding urine or inflamed urination bother or distress you, or if uric acid in the blood has caused rheumatism, gout or sciatica or you suspect kidney or bladder trouble just write Dr. Pierce at the Surgical Institute, Buffalo, N.Y.; send a sample of urine and describe symptoms. You will receive free medical advice after Dr. Pierce's chemist has examined the urine—this will be carefully done without charge, and you will be under no obligation. Dr. Pierce during many years of experimentation has discovered a new remedy which he finds is thirty-seven times more powerful than lithia in removing uric acid from the system. If you are suffering from backache or the pains of rheumatism, go to your best druggist and ask for a 50-cent box of "Anuric" put up by Dr. Pierce. Dr. Pierce's Favorite Prescription for weak women and Dr. Pierce's Golden Medical Discovery for the blood have been favorably known for the past forty years and more. They are standard remedies to-day as well as Doctor Pierce's Pleasant Pellets for the liver and bowels. You can get a sample of any one of these remedies by writing Dr. Pierce.
