Your Government Wants to Borrow Some of Your Money

FOR \$1.00 A WEEK YOU CAN BECOME A GOVERNMENT BOND INVESTOR—AND HELP YOUR COUNTRY FIGHT

Never before have you been offered such an opportunity. For this is the first time in history that U. S. Government bonds have been offered in this manner. The Government wants everyone to get in on this GREAT INVESTMENT. But the Government could not make these bonds for smaller sums than \$50.00 (the usual U. S. Government bond is of \$1,000 par value). There are thousands of people who have \$50.00 to invest, who could not possibly get together \$1,000 in cash. And there are many more people who have not \$50.00 on hand who can spare \$1.00 a week.

And this is where the LIBERTY WAR LOAN CLUB gives YOU your chance. The Government must get the full cash payment within a short period for all the bonds it sells, but when you tell us what size bond you want to buy WE WILL MAKE THIS FULL CASH PAYMENT FOR YOU—AND YOU CAN PAY US ON EASY TERMS.

HERE IS THE PLAN

\$ 1 a week for 50 weeks—buys a \$ 50 Bond	
2 " " " " " " " "	100 "
10 " " " " " " " "	500 "
20 " " " " " " " "	1,000 "

You can buy all the bonds for which you can carry payments.

You pay no dues or fees of any kind. All your money goes toward buying bonds that will be your exclusive property.

You make all your payments to the Liberty War Loan Club of this bank and you receive a receipt for each payment. At the end of the Club period, when your payments are all made you are handed your bond right here at the bank.

We do all the work of buying a bond and we shoulder all the expense right up to the time your last payment is made—and then we present you with this U. S. Government Bond, the safest security in the world.

We are ready to help you do your part.

HELP YOUR COUNTRY IN TIME OF WAR—and make a fine investment for yourself.

The LIBERTY WAR LOAN CLUB is now open for membership. Enrollment and first payment must be made at once to secure purchase of bond. Come in at once and let us explain the whole plan.
