

Farmers and the New Banking System

The Federal Reserve Banking System established by the government, with its thousand million dollars of combined resources, stands back of the grain fields and assists its member banks in taking care of the farmers.

Our membership in this system gives us special facilities for enabling farmers to plant, gather and store their crops.

The next time you come to town stop in and let us tell you how this new system enables us to help you.

The improved highway between Elmira and Greenwood is well under way. The latest reports say that the road is to be a crushed stone top dressed instead of gravel as was first proposed.

The Gorge Bridge on the old Erie & S. Railroad, near Belfast, has been purchased by a motion picture company. The beautiful gorge and high bridge will certainly make picturesque scenery for a movie play.

A card from I. H. Tompson tells of his safe arrival at Portland, Oregon, last Saturday. He was five days on the road. He writes that everything is very backward there this year, and the weather pretty warm.

Rev. Arthur Stewart, Wahl, of the Andover Baptist Church, was in Hume, Tuesday, where he preached the ordination services when L. S. Snell was ordained to the gospel ministry. Attorney E. M. Lash, M. H. Aldrich, and E. F. Stearns accompanied Pastor Wahl.

CHARLES G. PURDY

Charles G. Purdy died at his home on West Center Street, in this village, Saturday morning, after an illness of nearly a month, aged 37 years.

Mr. Purdy was born in the town of Jasper, going to Hornell when a lad, where most of his life was passed. He was the proprietor of a Broadway barber shop for a number of years, later going into the milk business.

Last fall Mr. Purdy came to Andover to work in the Farwell barber shop, where he won many warm friends.

THAT "TERRIBLE ACCIDENT"

It may be interesting for those who have read the profuse accounts published in the Hornell and Wellsville daily papers, regarding the "terrible" accident in which our townsman, Elmer Kaple, was the principle actor. To learn that the two ladies who were so "severely" injured, were not injured at all to speak of. In fact they said they could walk home. The car running about 5 miles an hour in low gear, bumped into them. They rode about ten feet on the bumper and otherwise than a little fright were not hurt. Mr. Kaple was in no fault whatever as the women stepped in front of his car from behind another.

MRS. CRANDALL LESTER

Mrs. Crandall Lester died at her home in Richburg, Saturday, June 16th, after an illness of only one hour. Deceased was born in Richburg, May 22nd, 1844, and had lived her entire life in that town. She leaves to mourn her loss, her husband, two daughters, and three sons, also two brothers, W. G. Richardson, of Richburg, and W. J. Richardson, of Wellsville.

Mrs. Lester was well known in this village where she has been a frequent guest of relatives, and where for many years her husband was interested in the oil business with the late Dr. N. P. Brainard.

A Little Secret We Wish to Tell

WE push the J & K Shoe for women so hard because it pays so well... pays in hard, cold dollars. Can you blame us? It not only gains new customers for us, but it holds them. In fact about eight women out of every ten who wear the J & K shoe once never buy any other make.

You may not be interested in knowing that we find the J & K shoe a profitable one to handle, but you must be interested in knowing that it brings so much satisfaction to our customers. And if they are so well pleased, why not YOU, too?
