CHASE THE ACHE, KILL THE PAIN
 Get busy. Act now. Use Sloan's Lin
 ointment for your rheumatic pains, tooth
 aches, neuralgia, sore muscles, stiff joints,
 sprains and strains. Better than any
 thing you ever tried to soothe hurts,
 reduce swelling and inflammation. Clearer
 than ointments or plasters, as it does
 not clog the pores or stain the skin.
 Easy to apply, it penetrates without rub
 bing. Always have a bottle of Sloan's
 ointment in your medicine chest. At
 your drugist, 25c, 50c, \$1.00. Adver
 tisement.

THE PEOPLE HAVE SPOKEN
 The Government asked a loan
 of the people of \$2,000,000,000 for
 war purposes. The people re
 sponded by offering over \$3,000,
 000,000, and this tremendous sum
 was subscribed in all walks of
 life, from the millionaire down
 to the laboring man, with nothing
 but his weekly pay from which
 to draw. Even young working
 girls and the little Boy-Scouts
 dug down when Uncle Sam asked
 for help. It is significant that
 our first loan of the war is also
 the greatest loan in the history
 of the world, and fifty per cent.
 oversubscribed at that!
 The Kaiser should worry!
 The News Classified Ads will
 help you to rent it if it's rentable

 property owner who pins his

 anyone absurd who used such
 primitive business methods in
 anything else.

"SENATORIAL DIGNITY"
 Washington dispatches advise
 that a certain United States Sen
 ator offered a bribe of \$5,000 if
 his son was exempted from the
 draft. The party to whom the
 offer was made promptly com
 muniated the fact to the At
 torney General of the United
 States.
 We are watching for the next
 act in the drama of "senatorial
 dignity."
 Will it come?
 "As the only man of promi

 buy a Liberty Bond, Mayor
 Thompson should receive an iron

 er. Thompson is not a promi
 nent man. He is not even any
 kind of a man.

A Little Secret We Wish to Tell
WE push the J & K Shoe for women so
 hard because it pays so well—pays in
 hard, cold dollars. Can you blame us? It
 not only gains new customers for us, but it
 holds them. In fact about eight women out of
 every ten who wear the J & K shoe once
 never buy any other make.
 You may not be interested in knowing that
 we find the J & K shoe a profitable one to han
 dle, but you must be interested in knowing that
 it brings so much satisfaction to our customers
 And if they are so well pleased, why not YOU,
 too?

We Are Not Jugglers

Our goods are not deceptive in quality. The grocer who sells unreliable foods just for the sake of making a few cents more is not a safe man to trade with. Unreliable things cannot come into this store.

We know enough about these things to know when they are pure and when they are not. It isn't wholly a question of price with us. We get the best that money will buy and then sell it with just a fair percentage of profit added.
