State Party Distributes Hun dreds of Thousands of Food Conservation Pledge Cards.

The 500,000 wome, enrolled in the New York State Woman Suffrage party. In addition to others not yet enrolled, will all be members of the Unit of States food administration under Herbert C. Hoover before many weeks. The New York State Woman Suffrage party, under the directorship of Mrs. James Lees Laidlaw as tood chairman, has already sent out 100,000 food administration piedge cards to the district leaders, who will in their turn see that they are distributed through the sufrage captains of all of the women in their districts. This is just the beginning of the morement to enroll all the suffragists of the state in the food administration.

all the suffragists of the state in the food administration. Fledge cards when filled out and nailed to Washington will bring to the signer first instructions on food conservation and a household tag to be hung in the window designating the household as one of those enrolled, in the Hower food administration.

A number of members of the New York State Woman Suffrage party, including Mrs. Frank A. Vanderlip, chairman of the Ninth campaign district of the state party, are already wearing.

the state party, are already wearing the official uniform of the food admit istration, consisting of a cap and aproperly with the shield insigning of the admit istration on the cap and aprometration on the cap and aprometration. with the suicid misignia of the admin-istration on the cap and apron-The suffragists of Nassau county.

The Presbyterica Church of the Unitative States of America, meeting in Dglales, Tex., for its annual general assembly, passed with a large majority a woman suffrage resolution, in the course of which it was stated that the resolution was pussed Because the Presbyterian church believes that the influence of women has been invaluation moral reforms, and it believes in utilizing every possible force in the new and larger work lying before this country.

The council of the Russo-Greek Orthodox church, which will meet at Moscow on Assumption day, Aug. 28, will in its election give women equal techts with men

In an article on the "World War For Humanity" in the Humanitarian Magazine for July Dr. Stephen S. Wise, head of the Free synagogue, saye. "Because ours is a war for demooracy I believe that the time has come for the immediate enfranchisement of the women of the nation. We have no right to purport to battle for democracy as long as millions of American sittyens are arbitrarily and reasonlessive disfranchised." ly disfranchised

A store that has something to sell to you has something to say to you—as you'll discover by reference to any store ad in paper.

You ought to give a want ad fair chance to find a buyer for those lots.

There's more to this

cigarette than taste

You bet! Because Chesterfields, besides pleasing the taste, have stepped in with a brand-new kind of enjoyment for smokers—

Chesterfields hit the smoke spot, they let you know you are smoking—they "Satisfy"!

The blend is what does it—the new blend of pure, natural imported and Domestic tobaccos. And the blend can't be copied.

Next time, if you want that new "Satisfy" feeling, say Chesterfields.

They <u>Salisfy</u>"|-and yet they ro Mild

And yet, they're MILD!
