**GREENWOOD LOCAL BRIEFS**

Heavy rains are the order of the day. Big storm last night swept Christian Hollow, done immense damage to the highways and farm crops. The center of the storm seemed to be on the ridge between the Marsh Valley and Christian Hollow as the streams in both places were very high. The bridge near Ralph Wilcox's place was undermined and the water went east of the lower pier. The roadway was badly washed out and the wall along the North side of the creek was undermined and toppled over. In the upper part of the valley it washed in one place to a depth of 10 feet. In the Marsh the N. Y. & P tracks were covered about three feet with water, higher than ever known before. The cost of repairing the highways will be heavy. The Post Office department is taking up rural mail routes where the highways are not in good condition for travel, so it behoves patrons to see that the roads are kept in order. The food bill has passed after a long delay. How much Congressional greed was in the delay may never be known. Miss Ruth Miller, daughter of Mr. and Mrs. J. K. Miller and Lester York both of this town will be joined in wedlock today. The bride and groom are among the most popular of Greenwood Society. We wish them a successful and happy life. Hoover is to be praised by the enemies he has made. You will find most of them in speculator rings. The house and barn of Wm. C. O'Dell were burned by fire caused by lightning Monday afternoon. The buildings were among the best farm buildings in town, and the loss is a heavy one particularly for this season of the year. Mr. and Mrs. James McCormick of Wheeler Hill were Greenwood visitors Tuesday. Mr. and Mrs. Burr Case were in our city yesterday. Mr. Case is suffering from a fractured hand. Bernard Murray of West Hill was a welcome visitor in Greenwood Tuesday. Mr. Capron of Wayland was a business visitor in Greenwood Wednesday. John Kerman has purchased the barber shop building on the Ferris lot and will move the same to a lot nearer the depot. Vincent McCormick has purchased an automobile. A barn of Timothy Blair's was struck by lightning Monday and burned down. John McCormick of Kings Hill was in Greenwood Tuesday. Mrs. George Case of Jasper was in our city yesterday. George Caffrey is in town today. The work of the mail clerk on routes 2 and 3 of the N. Y. & P Railroad will be discontinued August 1st. Stephen Hardy of Jasper was a caller in Greenwood. A visitor was in our city. A visitor of Hempstead was in our city. Read our classified ads.

Cleveland are spending a short time with his mother Mrs. M. D. Webster. Supt. R. P. Stephens says one thousand dollars will not repair the damage to the Christian Hollow road done by Monday's storm. Homer Donaldson and wife are among the city visitors in Greenwood today. George Caffrey of West Hill is on our streets today. Joseph Milligan of Woodward Hollow is in our city today. Lester York was in the city yesterday. Harry Taylor is visiting his parents Mr. and Mrs. W. H. Taylor. Wm. Banks of the Gully was in Greenwood Saturday. The Spencer M. E. Church at Hornell was struck by lightning Monday a large hole was torn in the roof and other damage sustained. The fiendish atrocities perpetrated by the Germans in their conduct of the war are unbelievable of half civilized people, and the history of their acts will cause pain to the whole world. There is nothing too cruel or infamous for them to stoop to in their warring.

The high cost of living has hit Gowanda right in the face. All five barber shops have raised the price of haircuts from 25 to 35 cents. Shaves remain as formerly 15 cents. Increased cost of supplies and demand for quicker and better service are the reasons given.

**WE SELL SO SOCONY MOTOR GASOLINE STANDARD OIL CO. N.Y.**

**POWER**

To get out of your motor all the power that was built into it requires a gasoline that is not only pure but uniform.

It is because every gallon of SOCONY Motor Gasoline is like every other gallon, no matter where you buy it, that SOCONY runs a motor so much more efficiently than the best of unidentified gasolines. A carburetor once adjusted to SOCONY is adjusted for keeps.

You will find that SOCONY gives more miles to the gallon and more power to the mile. Say So-CO-ny and look for the Red, White and Blue sign.
