

Have you ever driven over one of the new good roads"? If to, you know what the Federal Reserve Banking System is doing for its member banks and their depositors.

No more ruts and sandy spots, gullies and steep hills, but a smooth surface and even grades for the financing of business and farming to travel over.

You can get on this good road and enjoy its advantages by becoming one of our depositors. Don't delay.

The Burrows Pational Bank

— New York leads all states in Payment on process Its total wednesday when the rest of the program, including extra running races, were held. Thursday, the usual big day, was so inclement that no races were held but thous ands of visitors enjoyed the fun of attending the Big One in the mud, Friday was a record breaker. Clear weather big crowds, an extraordinary program including four harfiess races and an exceptionally good exhibit more than made good for the losses earlier in the week Friday this earlier in the week Friday this year was the fairest instead of the fowlest, and the people were quick to take advantage of the pportunity and thoroly enjoyed themselves.

> The people who read your ads are the people who are to make business "good" at your store their patronage is subject to your influence.

HORSE A PICKPOCKET.

A heavy draft horse enacted the role of pickpocket in Allentown, Pa, recently. The discovery was made by the driver, who, while driving along the street, saw a gold watch and chain dangling from the animal's tail. The theory is that as the horse switched its tail to keep off the flies it dexterously extracted the timepiece from the vest pocket of a pedestrian who was passing by. driver is looking for the owner of the watch, and in the meantime the horse is being kept under surveillance.—Cleveland Plain Dealer.

CHARACTER ANALYSIS

"Bliggins goes around asking so much advice that he never accomplishes anything."

"Yes," replied he man whose mind lingers in the past; "not enough initiative and too much referendum." -Washington Evening Star.

THE MANUAL OF ARMS

American troops now landing in France have received a more careful and prolonged training than could possibly be given the most of the regiments hurriedly aised during the Civil War. The raised during the covir war. The story goes that a raw batallion of rough back-woodsmen, who had "folunteered," once joined Genral Grant. He admired their fine physique, but distrusted the ca-pacity of their uncouth command-er to handle troops promptly and efficiently in the field, so he said: 'Colorlel, I want to see your men at work; call them to attention, and order them to march with shoulder arms in close column to ment's hesitation the colonel yelled to his fellow-ruffins: Boys, look wild than! Make "Boys, look wild that ready to thicken and go left "Tota ver guns, Git!" enways! Tote yer guns. The maneuver proved a brilliant success, and the self-elected colonel forthwith was officially com-missioned.—Manchester Guardian
