

## BUILD UP A BIG BUSINESS

**ANOTHER YOUNG MAN** in a nearby town started in with a small bank account. In a few years it grew to a very substantial sum. He was then able to start in business for himself. Today he has one of the best stands in town and carries a good bank account.

When you see a good opportunity will you be ready to take it? Why not prepare for the future by opening an account with us now?

Andover State Bank
