

GLUE YOUR RESOLUTION!

WHEN you open the glue pot and don't use it it gets dry and worthless—does it? When you make a resolution and don't keep it—it does you no good, does it? You are going to open an account here. You ever since you have been reading what we have been saying to you, you have been making that resolution. Glue that resolution—Do it now!—Make it stick! It's easy to start—and when you start it's done. Now what do you?
