TO TRAIN BOYS FOR INDUSTRIAL JOBS
 In order to obtain men fitted to take important positions the Cutter Desk Co., a Buffalo firm has opened its shops to train young men in industrial work, while the Technical High School gives the scientific part of the training. The same plan, it is said, is followed in several other cities with great success, the pupils being in demand for positions at good pay.

During the school year, from September until June, one week is spent in the shops, and the next in the school, the student being paid for all time spent in the shops.

A WORD FOR MOTHERS
 It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life.

If your work is tiring; if your nerves are excited; if you feel languid, weary or depressed; if you should know that Scott's Emulsion overcomes just such conditions.

It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength.

Scott's is strengthening thousands of mothers—and will help you. No alcohol, Scott & Bowne, Bloomfield, N. J.

WHY WOMEN CANNOT SLEEP.
 The highly organized, finely tuned nervous system of women subjects them to terrors of nervous apprehension which no man can ever appreciate.

The peace of mind, the mental poise and calmness under difficulties, which are necessary for happy womanhood, are only possible when the sensitive organism is in a perfectly healthy condition. If there be any derangement in this respect no store of womanly health as the wonderful "Favorite Prescription" invented by Dr. R. V. Pierce.

Chatham, Ont.—"A few years ago I suffered a general break-down and got very weak and thin. I was in an awful state. I was very much discouraged and at times thought I would lose my mind. I knew of Dr. Pierce's medicine so I got his 'Favorite Prescription.' It gave me immediate relief, and completely cured me in a very short time. My sister used it with good results also. She was in a very delicate condition. I got her to take it and two bottles cured her completely.

"I take great pleasure in recommending Dr. Pierce's medicines; they are all that is recommended of them."—Mrs. MARGARET BRYANT, 87 Park Ave., Chatham, Ont.
