Experts have examined the gas well that has been drilled on a farm south of Seneca Falls, in the state road, and it was announced that the well would be "plugged." The flow of the well is not sufficient to make it of commercial value, but the men who are directing the work say they are satisfied with the results of their work so far. It is probable that drilling will be undertaken at some point near Seneca Falls.
Organization of the state into military zones in preparation for the enforcement of the compulsory military training law was completed at Albany. The zone supervising officers are Colonel Eugene K. Austin of New York, in charge of the military training of boys in the west central zone, with headquarters in Rochester; Lieutenant Colonel J. P. HOUSE VOTES 181 TO 107 FOR SUFFRAGE COMMITTEE

Washington, Sept. 25.—Creation of a committee on woman suffrage was ordered by the house late today by a vote of 181 to 107.
The ways and means committee will name the personnel of the new committee which will assume charge of all suffrage bills now handled by the strongly anti-suffrage judiciary committee. Either Representative Raker of California or Representative Taylor of Colorado probably will be made chairman. Miss Rankin of Montana has been suggested, but as she is a Republican she is not likely to be named.
Creation of the committee, for which the suffragists long have contended, assures an early fight on the Susan B. Anthony suffrage amendment at the next session of Congress. Both suffragists and anti-suffragists say they are anxious that the bill be reported as they are confident of victory on the floor.
Miss Rankin and Representative Pou, chairman of the rules committee, who reported the resolution, made the principal speeches for it. Mr. Pou declared that President Wilson had written him urging the naming of the committee, and when Mr. Webb said he did not think the President ever had made such a statement Mr. Pou produced the letter. It was not read.
The senate suffrage committee, which is inactive, has been organized several years.
