

SOUTH VALLEY

Oct. 11.—We had our first snow. Threshing and potato digging are our farmers' program. Our hill was well represented at the Dairymen's League meeting in Andover, Tuesday evening.

Miss May Dean came home on Hallsport, Saturday. Not as much doing in our oil field as heretofore, Atwood & Keon well on the Riley farm being the only one drilling at present.

John P. Dean and mother, Mrs. A. Dean, their guest, Mrs. A. Frey of Endicott, and Mrs. M. Dean motored to Solon Sunday for a visit with relatives.

Word has been received by grandpa and Grandma Livermore of the arrival of a new daughter, the home of Mr. and Mrs. O. Livermore of Chicago. Charlie is a former South Hill boy and congratulations are in order.

A number of our young men attended the musical comedy "Honey" given in Hornell Monday night. (Is that right?)

Mrs. D. J. Appier and little Richard, are guests this week at the home of R. McAndrew.

Mrs. M. T. Garvin and little Rose and Miss Rose Doran were South Hill visitors Sunday.

Want Ad Readers: learn the line of "promptness" in all business matters. They learn that the best money-making chance usually goes to the first advertiser on the scene.

Mrs. Della Clark returned to her home in Norwich, N. Y. last Wednesday. They made the trip in their Buick car.

Mrs. Wm. Pardon received word Monday of her brother, Geo. Barrett, of Andover, having an accident Sunday evening, but as yet the particulars have not been learned. We are glad however, to hear at this writing of his being much improved.

Mrs. Lou Snyder is suffering with neuralgia in her face this week.

Will Green and family attended a picnic dinner last Sunday, at the home of his uncle, Will Dodge, in Lanphear Valley.

Mr. and Mrs. John Wahl, of Elm Valley, spent Sunday with Mr. and Mrs. Lou Snyder.

Mr. and Mrs. Dell Clair were among the many who attended the Wellsville Fair, last Thursday, to see Katherine Stinson. Sorry to say she wasn't there. We think she must have forgotten to stop in a small place like Wellsville and went on to Alfred Station.

A number of our valley men attended the Dairymen's League meeting in town last night.

HAVE YOU BEEN SICK?

Then you realize the utter weakness that robs ambition, destroys appetite, and makes work a burden.

To restore that strength and stamina that is so essential, nothing has ever equalled or compared with Scott's Emulsion, because its strength-sustaining nourishment invigorates the blood to distribute energy throughout the body while its tonic value sharpens the appetite and restores health in a natural, permanent way.

If you are run down, tired, nervous, overworked or lack strength, get Scott's Emulsion to-day. It is free from alcohol.

BRING US YOUR PROBLEMS

It is the object of our Drapery Department to show you the finest selections of drapery materials together with the newest ideas for making the Home Beautiful.

Home Craft Notes

During Home Craft Week, October 8th to 13th, we will display for the artistic homemaker the cream of the market's merchandise.

There is no finer window covering made in America than Craft-Lace—and in this line America leads the world.

Curtains of Craft-Lace give privacy to a home without excluding light and air.

We feature Quaker Craft-Lace because its prestige is built by a wealth of artistic patterns made from the finest yarns by master craftsmen.

We have, for instance, lace to veil your windows, cheerful cretonnes for light bright effects, splendid plain materials for rich dull hangings—indeed the right merchandise for every desired form of home beautification.
