

AN AMBITIOUS FARMER

An ambitious farmer, who was farming on shares, determined to own his farm. He started a bank account. He stayed with the bank and the bank with him. He was a good fellow and his bank wanted him to win.

Just a few weeks ago he was able to buy his farm and pay cash for it. If you want some day to own a business of your own, why not start in with a bank account now?

It Gets There!

The "SPECIAL" gets there because all of its energy is devoted to one single proposal and everything else is side-tracked.

Just so with the "B. B. B." Saws, Hatchets and other tools--because the "B. B. B." are a SPECIAL MAKE for a SPECIAL FIELD.
