

# SENSIBLE GIFTS

## Go Better than Ever this Year

If you have any Gifts to buy for Men or Boys, this is the place to come. These same men, and possibly boys, have been buying things here all the year long. Our name on the label will mean to them something of reliability. The gift would be of the sort that they'd buy for themselves.

Sensible gifts have always been in good taste. This year they'll be right in line with the spirit of the times. This Christmas will have a little more flavor of the conservative and practical.

If, when you're making the purchase, you'll say that it is for a Christmas Gift, we shall be glad to put it up for you in a special holiday package. Bring the name card with you and we'll wrap that inside--the package needn't be opened until Christmas Day.

Smoking Jackets, House Coats and Bath Robes—entirely new materials and one that any man would joyfully wear, from \$5 to \$12. Ones at \$5, \$6.50 and \$8 are exceptional values.

Hose in Silk, Lisle and Cotton. The Luxite Fibre Hose at 40c or 50c pair for \$1.15 boxed, make an excellent Xmas Gift.

Underwear is a most useful gift. Superior Union Suits are the kind that are worn with comfort, in cotton, merino, wool and silk and wool. All closed crotch and do not gap in the seat. These begin at \$1.50 and up to \$5.

Separate garments in every kind of good fabrics.

"Likly Luggage." We have a specialty of good luggage and that's the reason Likly predominates in our showing—alho other good makes are also shown. Valises and Suit Cases of the very best and medium grades; such varieties are seldom shown outside of a city specialty shop. Trunks are also shown.

Tourists' Cases with useful toilet articles for men and young men from \$2 to \$10.

Handkerchiefs—Never too many—soft bleached Linen, Half dozen boxed at \$1.50, \$2 and \$2.75 make an ideal gift and always a useful one.

### GREENWOOD LOCAL BRIEFS

Winter comes in like an old lamb, Sixteen inches of snow. Highways are badly drifted. Intense cold for the season. John Taggart, of Young Hickory, was a Greenwood visitor Wednesday.

Mr. and Mrs. Henritt Milton Marsh entertainers, impersonators and bell ringers, gave an entertainment under the auspices of the Ladies Aid Society, Monday evening. Owing to the cold the attendance was light. The entertainment pleased the audience.

Barnard Kane, of Rexville, died at his home in that place, on Saturday of last week. The funeral was held Tuesday, at St. Mary's Church, Rexville. Mr. Kane had been an invalid for many years and was quite helpless during the past year. Mr. Kane was universally liked by those who knew him and he will be missed by a large circle of relatives and friends who mourn his loss.

The funeral of James Powell, who was killed by an automobile in Hornell, was largely attended. Deceased was one of the most prominent men in this section, and his tragic death was a shock to all.

The terrific explosion that ruined the city of Halifax and destroyed the lives of nearly four thousand of its citizens was one of the worst recorded. It came at a season when the extreme cold added horrors to the situation. The storm that followed the disaster was so fierce that help was relayed in relieving the stricken city and its homeless inhabitants.

Dr. H. P. Jack, of Hornell, who is in the Sanitarium, at Hornell, is reported as improving in health. His many friends in this locality welcome the news of his recovery.

Ross Baker, of the Dorrity Electrical Company, was in town visiting relatives over Sunday. He was on his return from the West to New York where he is located.

W. S. Rose, Chauncey Springstead and E. P. Burt, who lost

their lives in the wreck last week, were from their homes on Tuesday. Their home-coming indeed a sad one.

Mrs. Tracey Drake, who went a surgical operation at the home of her parents in this place, has fully recovered and returned to her home in Spring Mills.

Miss Constance House, went to Troupsburg Wednesday braving the deep snow drifts and cold weather.

The railroad meeting Tuesday was not very largely attended on account of the cold. \$6,500 was subscribed for the purchase of bonds and stock and was a good showing for those present.

The tendency of matters in Greenwood to a general decline is apparent in the mail service as in other matters. A few weeks ago we had four mails a day by railroad, then the service dropped to two mails a day. Next it dropped to an auto service, and now it is drawn by a pair of mules. Perhaps the next change will be to a yoke of cattle and ox-led.

M. S. Williamson, of Jasper, was in town Wednesday.

Riley Hale is stocking up with a supply of wood for the people.

F. D. Watkins, of Rock Creek, was in town Wednesday.

Miss Florence Conkey, who has been very sick, is improving in health.

Vincent McConnick, of King Hill, was in town Wednesday.

John Driscoll, of Rough-and-Ready, was among the city visitors Wednesday.

Wm. H. Terribury, of West Hill, was in town Wednesday.

Ralph Hale, of Jasper, was a city visitor Wednesday.

Robert Savey, of Troupsburg, was in our city Wednesday.

You might find it in two minutes—that ad, which you ought to answer right away.
