**LAME EVERY MORNING**

**A Bad Back is Generally Worse in the Morning. Andover People are Finding Relief**

A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all.

You can't get rid of kidney backache, until you reach the cause—the kidneys. Doan's Kidney Pills are especially prepared for weakened or disordered kidneys—have been gratefully recommended by thousands.

Testimony of Andover people proves the merit of Doan's.

Mrs. Coats, Maple St., Andover, says: "About a year ago I was all run down and suffered from kidney trouble. Many times, my back pained me so severely mornings I couldn't take any comfort until I got out of bed. When I did get up, my back was lame and made me feel miserable. I was very nervous and suffered from severe headaches. Doan's Kidney Pills were recommended to me and three boxes which I got from the Brundage Drug Co., gave me fine relief. Nothing ever helped me like this medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Coats had. Postre-Milburn Co., Mfrs., Buffalo, N. Y.

The answerers, as well as the publishers, of classified ads profit by them—get service and satisfaction from them.
