On departing they left with them all good wishes for their future happiness.
 Ed. Padden and son are pressing hay for Mike Dougherty, but have been delayed in their work waiting for wire.

A SONG OF THRIFT.
THEODOSSIA GARRISON,
 of the Vigilantes.
 Here's a saw that is easy to do—
 Add 1 to 2, the result is 3.
 Subtract 1 from 3, the result is 2.
 A matter that leads to serious thought,
 A thought to worry, confuse, appal,
 As the late Mr. Ollibet mopped it out,
 "Of this there is no manner of doubt,
 No manner of doubt at all!"
 As a nation, taking us one and all,
 We've begun to speak mildly, prodigally,
 Finding our national sport and fun,
 Subtracting the hard-earned 1 from 2;
 Wasters and spenders—so were we—
 As Mr. Minawber was heard to say,
 Doing the same sum one day,
 "Result (of subtraction) misery!"
 Well, we have come upon days where
 Wasted is foolish and waste a sin,
 No let us learn our course is run,
 The profit of adding 1 to 2,
 And a land and a world shall gain thereby,
 "If a nation waste so a nation fare—
 A fact, as a popular song has stated,
 Which nobody can deny!"

DELICIOUS CORN MUFFINS.
 Here's an old fashioned recipe for corn muffins that has recently been revived and used with unusual success in several of the larger New York hotels: To make three and a half dozen muffins take one quart milk, six ounces butter substitute, twelve ounces of light syrup or honey, four eggs, pinch of salt, two ounces baking powder, and one and a half pounds cornmeal and one and a half pounds rye flour. The butter and syrup should be thoroughly mixed; then add the eggs gradually. Pour in the milk and add the rye flour mixed with cornmeal and baking powder.

SCOTT'S EMULSION

Its rich, uniform cod liver oil gets into their blood and gives them vim, snap and zest. It creates strength to resist school sicknesses, overcome pinched faces, sallow complexions and dull eyes. High authorities have established again and again that cod liver oil promotes growth and energizes the body and brain. The imported Norwegian cod liver oil always used in Scott's Emulsion is now refined by our own American laboratories which guarantees it free from impurities.
