

Keeping Business on a Level

Would it be any satisfaction to you in these times if you could get some of your money into the great national fund held by the Federal Reserve Banking System which is standing back of and steady the business interests of the country?

You can do it by depositing your money with us, as we in turn keep part of it on deposit with the Federal Reserve Bank, where it will be ready for you when needed.

In this way, without cost, you can strengthen the system and secure for yourself its protection.

Reports from all sections show that seed corn is very poor this year. The State School of Agriculture at Alfred University has made arrangements to test seed corn for farmers and dealers without charge. Samples should be mailed to the Department of Soils and Crops, State School of Agriculture, Alfred, New York.

AUTOMATIC INSURANCE
Government Protects Families of Men Lost in War Service

Any American soldiers lost on the torpedoed transport were protected by United States Government insurance and Government compensation. Those who had not applied for insurance were covered by automatic insurance which is payable to a wife or widowed mother. The automatic insurance aggregates about \$4,300, netting \$25 a month for 240 months. Insurance that had been applied for is payable to a much larger class of beneficiaries and can go as high as \$10,000, netting \$57.50 a month for 240 months.

The compensation in case of death, given by the Government without charge and regardless of rank and pay, ranges from \$20 to \$75 a month, based on the number of dependents. Payments under the compensation feature of the military and naval insurance act in case of death are payable to a widow, children, or dependent widowed mother.

The automatic insurance ceased on February 12, but the compensation feature of the act is a separate provision. The sale of compensation in case of death follows:

- (a) For a widow alone, \$25.
 - (b) For a widow and one child, \$35.
 - (c) For a widow and two children, \$47.50, with \$5 for each additional child up to two.
 - (d) If there be no widow, then for one child, \$20.
 - (e) For two children, \$30.
 - (f) For three children, \$40, with \$5 for each additional child up to two.
 - (g) For a widowed mother, \$20.
- The amount payable under this subdivision shall not be greater than a sum which when added to the total amount payable to the widow and children, does not exceed \$75.

Church Filed Sunday Evening at the Federal Reserve Bank.

The Federated service in the Wesleyan Church, Sunday evening last was more than of usual interest. The church was well filled to hear Pastor H. B. Williams Washington's Birthday, patriotic address which was one of his best since coming to Andover seven years ago, and that is saying a lot.

Of especial interest was the dedicatory ceremony of a service flag in honor of the young men who are serving their country from the Presbyterian congregation. They are:

Capt. Floyd Brundage
1st Lieut. Chas. Mourhous (now in France)

Sergeant Porter W. Richardson
Sergeant Harold Hardy
Gunner's Mate Clarence Hardy
Harry S. Boyd (now in France)
John Storms

The local fraternal societies attended the service in bodies, making a very creditable showing and filling two-thirds of the church. The federated choir, assisted by violin and cornet, rendered especially fine music.

IT'S ALL OVER
Ralph Young, Prominent Home Druggist, Sends Word to Family That End is Near—Dies on His Way to the Hospital

Hornell, Feb. 15.—Ralph Young, forty-five years old, one of Hornell's leading druggists, died on his way to St. James Mercy Hospital this morning at 2:30 o'clock. Mr. Young was at his store until 11 o'clock this morning, when he went home. Later he returned to his home. At 2 o'clock he called his home on the phone and said to the family in the house, "It's all over."

Friends hurried to the store and found Mr. Young on the floor dying. Coroner Otto K. Stewart was summoned. The body placed in his charge. The stomach has been sent to Buffalo for examination, it being believed death was due to poisoning. An autopsy will be held this evening. Mr. Young was married years ago but has not lived with his wife in a long time. He was wealthy, owning his drug store and other property. He was a veteran of the Spanish-American war and was one of the best chemists in this part of the state. He leaves a brother, Frank, of Hornell, and a wife living in Hornell. No motive sufficient to prompt such rash action by Mr. Young has been discovered.
