WEST VALLEY
 The [unclear] [unclear] [unclear]
 of the spring layer yet
 coming.
 Last Friday evening about forty
 friends and neighbors surprised
 Mr. and Mrs. Henry Baker (at
 least they seemed surprised) by
 walking in on them to help cele-
 brate their twenty-fifth wedding
 anniversary. Everybody carried
 something to eat, and at 12 o'clock
 a supper was served. The
 program of dancing, card
 playing and a general good time
 was participated in. We dare not
 say what time we all started for
 our respective homes, but think
 we made them twice glad. We
 didn't intend to wear out our
 welcome, but every body was
 "afraid to go home in the dark."
 On leaving each one wished them
 twenty-five more years of happy
 and successful life. They were
 presented with a set of silver
 table spoons.
 John Clair had a sick horse last
 week. Dr. Davis of Wellsville
 was called to attend it. It was
 much better at last report.
 Mrs. John Biel returned home
 Saturday after a week's visit in
 Hornell.
 A few farmers are hauling po-
 tatoes this week. There is not
 much encouragement for them to
 pay the price for farm help (if
 they can get help at all) besides
 their own hard work and all the
 extras necessary to raise potatoes
 to sell for \$1.25 a hundred. It
 isn't in these days that the
 farmer is getting rich. He's go-
 ing the other way.
 Mrs. Homer Stearns is able to
 sit up a few minutes each day.

WELLSVILLE
 Will Green and family
 the children of Mr. and Mrs.
 Will Green have recovered from
 having the chicken-pox so that
 Howard and Clifford are able to
 attend school again this week.
 Feb 20.—Are you thinking
 about getting those sap buckets
 ready?
 Mrs. Lizzie Houghton left last
 week Thursday for her home in
 New York after spending a week
 with her brother, Wm. Pardon
 and family.
 Mrs. Leonard Snyder visited
 her parents in Wellsville last
 week, returning Friday accom-
 panied by her brother.
 John Clair was called to Ron-
 lette, Pa., last Wednesday by the
 illness of his aunt, Mrs. Carrie
 Caple.
 The children of Mr. and Mrs.
 Will Green are getting along
 nicely.
 Mrs. Allie Mead visited Mr. and
 Mrs. Dell Clair last week.
 It looks as if Lou Snyder meant
 business. He took home a new
 lime-sower Monday.
 Guess every body has plenty of
 water now.
 The Misses Helen and Mary
 Baker were over night visitors at
 the home of Mr. and Mrs. Wm.
 Pardon Monday.
 The children of Mr. and Mrs.
 Clarence Green are all on the
 gain.
 Quite a nice rain Tuesday.

 Readers of a newspaper rightly
 expect to find the news of your
 store in your store advertising.
 If there is a dearth of interesting
 things in your store, they expect
 to find your advertisement lacking
 in interest. If there are really
 interesting sales and store events
 going on, they will expect full
 news of them in your ads.

A WOMAN'S BACK
 The Advice of This Andover Wo-
 man is of Certain Value
 Many a woman's back has many
 aches and pains.
 Ofttimes 'tis the kidneys' fault.
 That's why Doan's Kidney Pills
 are so effective.
 Many Andover women know
 this.
 Read what one has to say about
 it:
 Mrs. R. Engle, Maple St., says:
 "The first symptom of kidney
 complaint in my case was back-
 ache. When I washed or ironed
 twinges of pain caught me in my
 kidneys, nearly driving me wild.
 I felt more tired mornings than
 when I went to bed. My feet and
 hands swelled badly and there
 were other distressing kidney dis-
 orders. Four boxes of Doan's
 Kidney Pills which I got at Brun-
 dage Drug Co., cured me of the
 attack and I felt like a different
 woman."
 Price 60c, at all dealers. Don't
 simply ask for a kidney remedy—
 get Doan's Kidney Pills — the
 same that Mrs. Engle had. Foster-
