Angelica Advocate.

American women will support loyally the Overseas Hospital opened in France for the women of that country who are sadly in need of medical attention. The able physicians of France are all at the front and the women who have bravely watched husbands and sons go to Marne, Mons, Verdun and other fronts, many of them to return no more, are left without help in time of dire distress. The women of America are answering the call for help from their sisters in stricken France. The entire staff of the hospital soon to be opened will be composed of patriotic women of America. Mrs. Chas. Tiffany has pledged to raise \$125.00 to be
