

WHAT SHOULD YOU BUY FOR THE HOLIDAYS?

Clothes are not considered the same as they were in any other year. If they have any value, it's exactly the same kind of value everyone has at the same price. You don't get anything by shopping around for clothes. But there's a great variety in quality. It is not always easy to tell about the value. Sometimes \$20 is too much to pay for a suit, and sometimes \$30 for a pair of shoes. That always was true. In war time, with good fabrics scarce as they are, it is more than ever true.

The man with a limited amount to spend for his clothes cannot afford to take chances. What we can do for you is to eliminate your risks in purchasing clothes. Our service to you began months ago when we selected our lines. We chose only the most dependable makes. We accepted only fabrics and models of which we were sure.

We hope to get your business by deserving it and that, we believe means searching out the best values among the manufacturers offerings, and reselling them to you at the fairest possible prices.

The Easter Clothes for men, young men and boys are here in varieties and styles unparallel. Men and Young Men's suits, Spring Over and Top Coats begin at \$15 and up to \$35.

And for the boys from \$4.35. Hats, Caps, Gloves, Shirts, Scarfs and Hosiery in all the new Spring offerings.

GREENWOOD LOCAL BRIEFS

Fine weather. Sugar making is on. Roads are drying out.

Potatoes are moving freely at 60 cents per bushel. Shipping points are Andover and Canisteo.

Miss Wheeler, one of the faculty of Greenwood High School, narrowly escaped death from asphyxiation Tuesday morning. She lighted the gas fire in her room and laid down and fell asleep, and when discovered was nearly overcome by deadly carbon dioxide. Dr. Wallace of Jasper was hastily summoned, and under his treatment her recovery is assured and she will probably be able to resume her school work this morning.

Andrew Jackson of the army is in town visiting friends.

Misses Dorothy Shorum and Constance Rouse were in Canisteo and Hornell Monday.

Dr. Whiting of Canisteo, was called Sunday to treat Mrs. Rhoda Donaldson, who is suffering from sickness.

Rev. Mr. Hill spoke before the new organization here Friday evening.

Mrs. Fred Hale, of Canisteo, is visiting her parents in this place.

Bononi Berger, of Christian Hollow, was in Greenwood Wednesday.

Mrs. Thos. Fitzpatrick and Mrs. Clinton Dailey were village visitors Wednesday.

Wm. Allison, of West Union, was in our city Tuesday.

Mrs. M. D. Webster was in Attica and Buffalo last week, returning home Saturday.

Calvin Dennison, of Rexville, was a business visitor Tuesday.

John Hamilton, of West Union, was in Greenwood Tuesday on business.

Wm. Banks, of Jasper, was in Greenwood Tuesday.

Vincent McCormick was in Canisteo Wednesday with several loads of potatoes where they bring 60 cents per bushel.

Theodore Cobb of Spring Mills, visited in Greenwood over Sunday.

It looks as though the railroad has gone for good. Those interested in its purchase did not all work together.

Devor Stephens, of Norton Hollow, was a caller in town Tuesday.

Austin Huff, of Jasper, was among Greenwood visitors Wednesday.

Rev. Father Casey, of St. Mary's Church, Rexville, was in Greenwood Wednesday.

J. Knox Miller was in town Wednesday.

Samuel Pierson, of Rock Creek, was in Greenwood Wednesday.

As a result of the heavy rain and lightning storm Wednesday night of last week, the bridge near Rough-and-Ready was washed so it was impassable, but Commissioner R. P. Stephens was immediately on the job and soon had it ready for traffic.

Miss Agnes Fisher, of East Greenwood, was in our city Wednesday.

The big German drive on the western front has not materialized yet. They manage to keep the world guessing. The war critics say they would not advertise their contemplated move if they

really meant business; other critics say that the entente allies believe it to be a ruse and will act on that belief, and that the Germans will thereupon attack on schedule time. To-day is time fixed upon for the drive.

N. Japan is ready and resting on her arms awaiting the order to "forward march." Her appearance on the field of battle would mean trouble for the Huns.

Germany has done more by intrigue so far, than by fighting. Her word could easily be impeached in the court of nations.

The main field of action seems to be at the Verdun sector where the French are in the lead.

Wisconsin has an opportunity to redeem her name in the election of a United States Senate. Let her so act that her children and children's children will not have to blush in reading the history of the war.

The war work of those who remain at home is but little as compared with the work and sacrifice of the boys in the trenches. The home workers are requested to conserve food and to provide for those carrying muskets. Buy War Savings Stamps and help the boys.

Mr. and Mrs. M. Berger, of Christian Hollow, were in town Wednesday.

GET GARDENS GOING

The American people responded splendidly to the call last year to increase production of foods by widespread individual effort. Owners of magnificent estates, who formerly raised a great tumbler of a single dandelion dared to raise its head on the lawn, heroically plowed their front yards, and potatoes, beans, and onions appeared where the velvet green had reigned supreme. Others, with only a few square feet of opportunity and only a few hours a week to spare, also dug and planted and watered. The aggregate results were really worth while, even tho in many cases there was a crop failure. The physical benefit and the feeling of patriotic endeavor was, however, well worth the work.

And now, as another planting time is at hand, the effort should be repeated and largely increased. To those whose crop was disappointing, there is this word of encouragement: Many soils were what the farmers call "sour," a condition often cured by simply turning it over so sun and air and rain can do their work. Some soils needed only a little fertilizing and some consisted of a few inches of black dirt covering sand bricks, and other rubbish left from building. But even the poorest soils will be more responsive this second year of planting, and in any event the yards and gardens which will yield a profitable return will total thousands of acres, and every pound which can be raised at home will add just that much to the canning factories to be put in shape for shipment abroad. Tomatoes, carrots, beans, beets, are all easy to raise, and the humble cabbage is not to be despised, for it is one of the most nutritious vegetables; early in the war the Russian army had little else than cabbage for a long time, and fought hard.

Let all who can join in this work; even the cliff dwellers in their contemplated move if they

BRITISH GOVERNMENT HELPS PAY FOR BREAD

There has been much discussion regarding about the bread program in England. It is true that the Englishman buys a loaf of bread for less than an American can, but it is poorer bread, and the British government is paying \$200,000,000 a year toward the cost of it.

All the grain grown in Great Britain is taken over by the government at an arbitrary price and the imported wheat purchased on the market at the prevailing market price. This is turned over to the mills by the government at a price that allows the adulterated war bread loaf of four pounds to sell at 18 cents, the two pound loaf at 9 cents and the one pound loaf at 6 cents.

In France, under conditions somewhat similar, but with a larger extraction, the four pound loaf sells for 16 cents.

Doan's Kidney Pills

Just another report of a case in Andover. Another typical case. Kidney ailments relieved by Andover with Doan's Kidney Pills.

F. P. Remington, retired carpenter, West St., says: "I think the hardships I endured in the war of '61 affected my kidneys. At times I am bothered by attacks of kidney trouble which have been so bad I could hardly get out of bed mornings as a sharp pain would strike me in the small of my back. I have to get up several times at night to pass the kidney secretions and they contain a brick-dust-like sediment. I use Doan's Kidney Pills at these times, which I get at the Brundage Drug Co., and they cure me of the attack, fixing me up in quick order."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Remington had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
