ATTENTION! WATER CONSUMERS

Because of the scarcity of water the Village Board of Water Commissioners finds it absolutely necessary to caution all consumers to conserve in every way possible the consumption of water.

UNTIL FURTHER NOTICE

use of sillcocks for lawn, garden or washing automobile is absolutely prohibited.

The Board is taking measures to increase the supply of water just as quickly as possible, but until the pressure is restored to normal, safety requires us all to save water.

Allowing water to run to waste will be considered a crime and punished if detected.
