### There May Be a Time

When it is a pleasure to shop around-but not when Ty want a particular article for a particular need, at once. To have to go from store to store looking for merchandise that all good stores should carry, is discouraging. We've planned that no such thing will happen in this men's s'ore, if forethought and good buying judgment can prevent it.

Money is wasted when it is put into clothes that do not represent its true value. The labor put into their making is wasted and the material which might be used to advantage elsewhere is wasted. Good clothes are those which return in value to you the worth of the money you expend on them. Value in style, in permanence of style and in material.

Our Suits and Overcoats give dollars value for dollar spent. The price range is wide, but every price indicates true worth.
