Albany, Jan. 13.—The care which New York State takes in protecting the corporate names ot, business concerns from similar and conflicting titles is revealed; n the annual report which Secretary of State Hugo makes covering the activities of the State Corporation Bureau, During the pact twelve months, 73,969 search were made in his office many requests for the privilege f name a desired name could be granted. When one figures that there are over 200,000 corporate titles in this state alone, the task pasa muster becomes a rather difficult matter During the last year, Mr. Hugo's bureau copied 58,540 pages of record. 24,094 letters and filled in and 11,357 certificates issued, an crease of 818 for the year. The Corporation Bureau's amounted to \$335,9993,07, a gain ... of \$75,000 for the year.
