on the

I have seen thee in the topaz-hedged Garden of the Twilight, sheaf of roses in thine arms. Ere I could climb so high the dark had closed the gates. I have seen thee standing at the Gate of Mid-night, thy garments

siver mist of stars. It was gray dawn when I came; thou wast not there. I have sought all sca-ways for the white sails of thy ship—but the seas are very wide. Perchance we passed in the night.

I have seen thre, like a wraith, int he vast of the gray desert. But the desert held too many ways. I heard thy voice once in the throng of a city's streets. All my Paragraphs of Interest to Read years I had been waiting the sound of a voice of molten gold and pearls. I sought frantically, but the throng was great.

(One knoweth love's voice; the kiss of God is twisted into the I heard thee singing once. I had been long in the dark of the valley. I could not come to thee, but at dawn I was on the Thon-keepest the tryst of theams. I know. At dawn there is my

smiling soul sandalled for the day's adventures. I shall see thee, I shall walk with thee in all the gardens of the flaming stars. I shall see thee coming down the slopes of the Morning in that

dawning when I find Myself. Beloved, thou keepest the tryst on the slepes of the Sun-way.

There, shall I find Myself. There is no night there; and no sea-
