# In New Spring Suits and Overcoats

Sometime the sort of protection you pick out for yourself doesn't protect. For instance, if you're aiming for economy hope to achieve it thru low price, you're not going to get it unless the merchandise you buy is backed by the maker as well as t merchant you buy same of, otherwise you will have purchased economy at the wrong end.

Economy is never acquired thru low price but rather thru the amount of good service you get out of your\_clothes.

Stein-Block Smart, Clothcraft Guaranteed and Griffon Ultra Suits and Overcoats are priced at the lowest mark at which safe quality and sure economy can be purchased.

They're moderately priced too - \$25, \$30, \$35, \$40 and up to
