With the entry of the Rail TEVER was such right-handed-twofisted smokejoy as you puff out of a immy pipe packed with Prince Albert! That's because P. A. has the quality! You can't fool your taste apparatus any more than you can get five aces out of a family deck! So, when you hit Prince Albert, coming and going, and get up half an hour earlier just to start stoking your pipe or rolling cigarettes, you know you've got the big prize on the end of your line! Prince Albert's quality alone puts it in a class of its own, The Express Company has gath-1 but when you figure that P. A. is made by our exclusive

patented process that cuts out bite and parch—well—you
