HORNELL, N. Y.

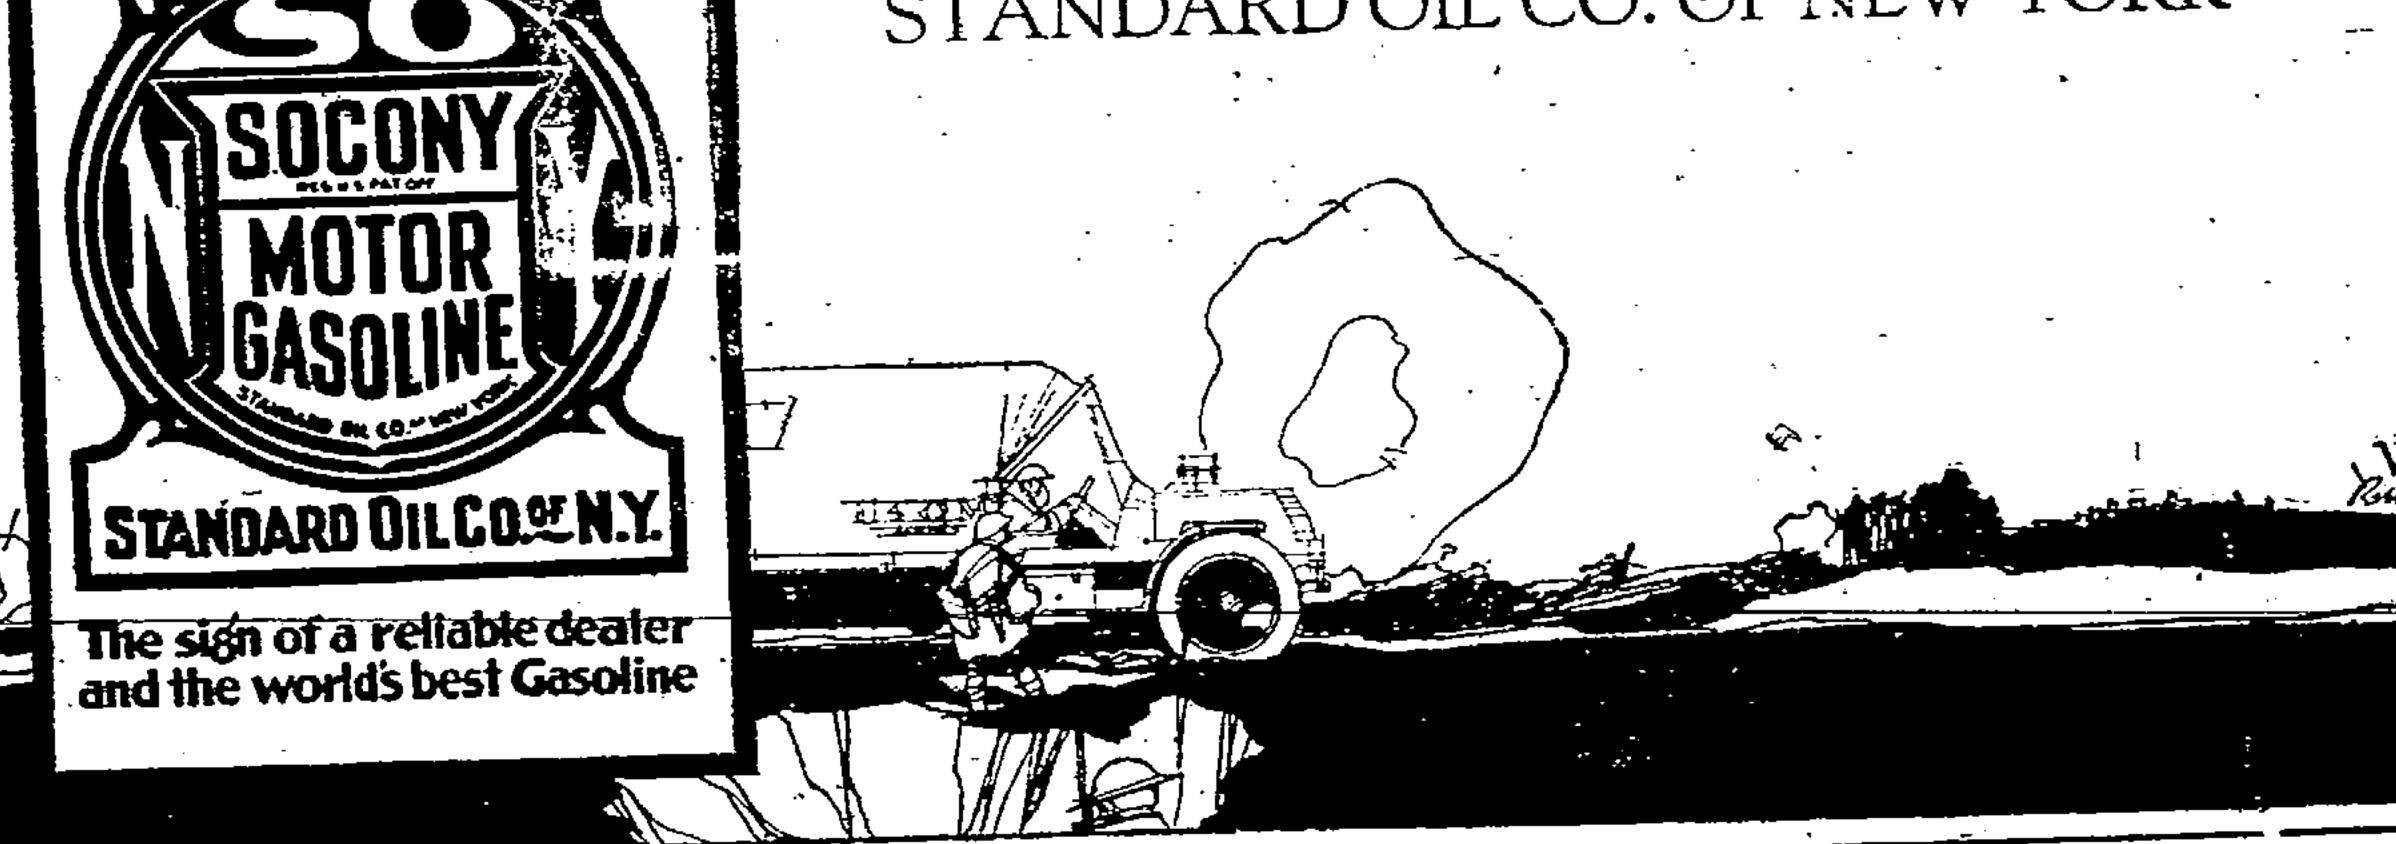

Every gallon and drop of So-CO-ny Gasoline is uniform. The motor equals today's satisfactory performance every day. No "ups and downs"—but continuous unvarying, top-notch power.

So-CO-ny requires but one carburetor adjustment because it is uniform. It burns clean and doesn't carbonize cylinders.

Inferior, low-grade mixtures burn fast, produce less power, and more carbon. Know what goes into the tank. Use

So-CO-ny and be-safe. You can get it

More Work per Gallon

Tractors generally work at practically full load—with the throttle wide open. This produces an unusually high operating heat. For correct lubrication and efficient, economical operation tractors accordingly require an oil especially suited to meet unusually severe service conditions.

SoCOny Gas Engine Tractor Oil is the oil leading tractor manufacturers recommend. Insures minimum wear on the vital parts of your engine. Cushions piston pin and crankshaft bearings against the heavy hammer blows of the eylinder explosions and $pr \to z$ destructive knocks, strains and engine vibration. pres more tractor work per gallon of lubricating Holds compression tight :. oil and more power per gallan of fuel.
