# What You Have Been Waiting For FINE, MEDIUM AND DARK GROUND VOILES

We have been extremely fortunate in securing for MIDSUM-MER SALE this really charming collection of medium and dark FINE VOILES. There has been a great demand for darker grounds and combinations of color in this popular fabric. At last we have found them, in the face of the greatest scarcity of such fabrics we have ever experienced. The designs being copies of the high priced fancy Georgettes give to this fabric all the listinction and rare beauty of the high priced materials. These Voiles are fine in quality but very moderate in price and will last but a few days. Just the material and kind you want for midsummer and early fall wear. Get yours now while we can show you a splendid variety to choose from. 'All are 38 inches in width and priced at 75c, 89c and \$1.00 a yard.

From a small section of the Ladies' Underwear Department this Lingerie has grown to be a big department by itself, with such a rapid growth that in a modern store much space is devoted to this line and today this is a most important part of our Ready-to-Wear Department. As the new features come out, and are deserving, we make haste to add them to this (store by itself).
