THE FAMOUS ARTISTS

of Europe and America are making records for Pathe, because they know only on Pathe records are they sure that every shading and every expression of the selection as they interpret them are faithfully reproduced. You can hear the best songs and opera arias, the popular marches and symphonies on Pathe records.

Keep up with Broadway. Pathe has the latest hits first and best; the new songs that Broadway is whistling; the popular one step, jazz and fox trot. The best orchestration of the new songs and the most unusual novelties are always found on Pathe records.

And in addition the Pathe has all the features of other talking machines
