A check for \$1,050,000 from the estate of the late Frank W. Woolworth, who originated the chain store five and ten-cent stores, was received by State Comptroller This amount brought the otal of transfer tax receipts for Sepember to more than \$4,000,000, the largest for any month-since the transfer law became effective in 1881. The state lost nearly 90,000 in pop-

ulation in the last 20 months because of the great fall in the birth rate and deaths due to the influenza epidemic last fall and winter, according to Dr Herman M. Biggs, state commissioner of health. The death rate for July and August last were 18.7 and 18.8, the lowest record since reliable data has been available. War conditions and Sixty-four persons, 44 of them children, were killed by automobiles in New York in September, as compared with 39 victims for the same period last year, according to a report made public in New York by the National Highways' Protective society. Elsewhere in the state 38 persons met

their death by the same means. Trolley car fatalities each numbered five. Fourteen persons were killed a grade crossings. Purchase of 18,000 acres of wild forest land, which includes the whole of Mt. Steward and Mt. Seymour in the Adirondack region, was approved by the commissioner of the land office, acting favorably upon a recommenda-

tion of the conservation commission The land, which comprises some of the must beautiful scenic sections of the Adrondacks, will be added to the state forest preserve. The purchase price agreed upon was \$508,081.
