Miss Marjorie Whitcomb, of Belmont, stopped off at Andover Sunday evening to visit her grandmother, Mrs. Clara Rogers, and other Andover relatives, while enroute for Geneva where she is a student at the Williams-Smith College.

And now it is the high cost of girls that is soaring. New York statisticians have figured that the average yearly cost of clothing one of the future mothers of man is \$476.50. And, with these figures staring them in the face, mothers may be pardoned if they place them on the bargain counter early in life.

Good Things for the Home in the Winter Season

8 Big Features of the Way Sagless Spring

make it the biggest value
for the money ever offered
in a bedspring.

1. Supreme sleeping comfort,
2. Perfect restfulness,
3. Absolutely sagless—guaranteed for 25 years,
4. Does not roll occupants toward the center,
5. Noiseless,
6. Sanitary—all metal,
7. Cannot tear bedclothes,
8. Stiff, cable edges keep you from bumping on the side rails of the bed.

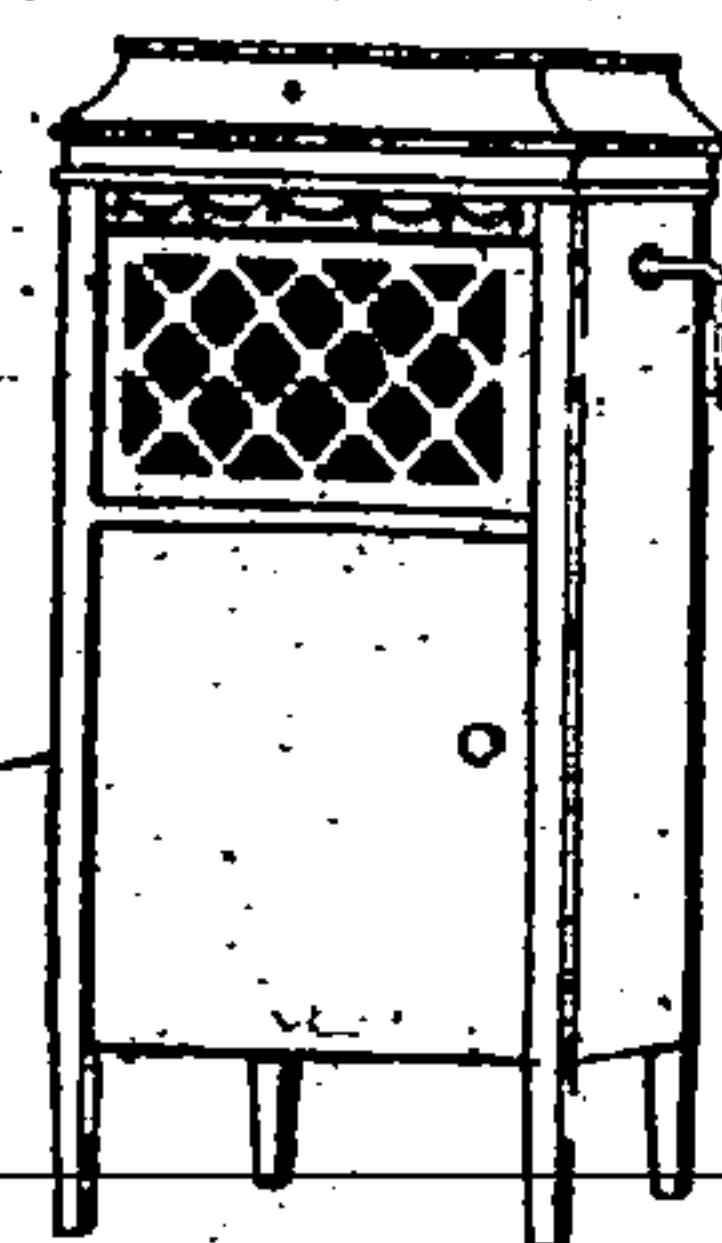

30 Nights To
Prove Them

We'll send a Way Sagless Spring to your home and let you sleep on it for 30 nights before you decide whether you'll keep it or not. If you can part with it after that trial, we'll buy it back at full price.

Phonographs

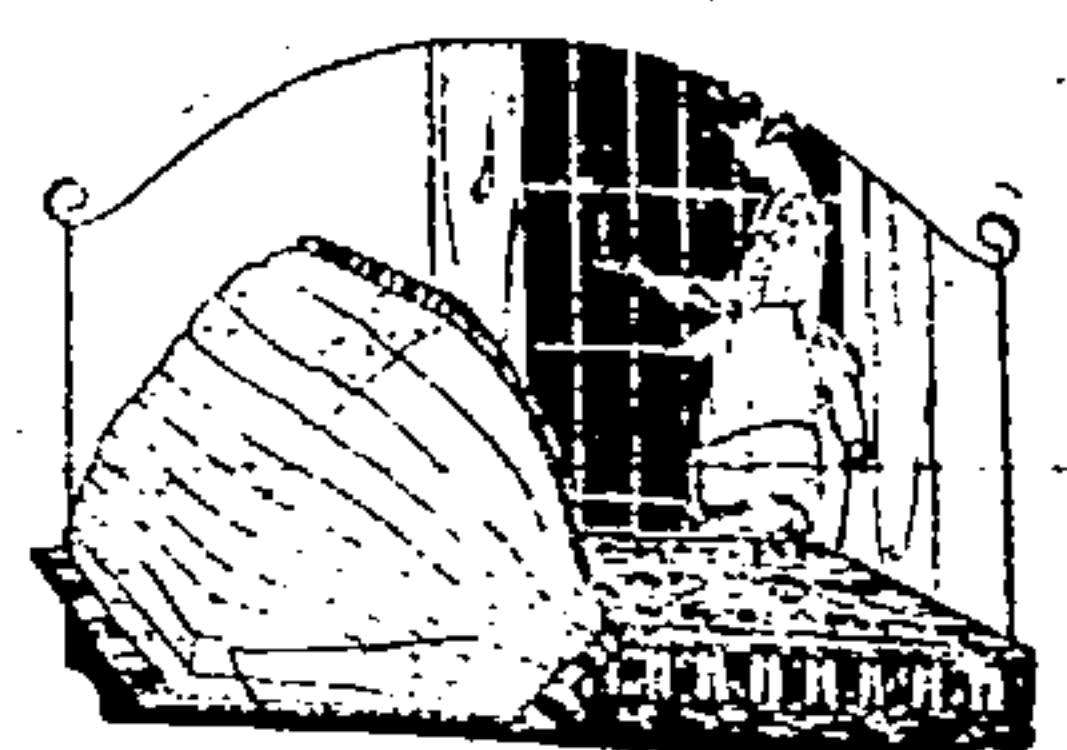

surpass all others in purity of tone and beauty of cabinet design. It is the most perfect phonograph that human skill and genius can produce.
