canned music. Ever see any tinned sunshine? Weil, look into any

And think this over:

We don't have to hide Velvet's taste or smell with a lot of this, that and the other thing. Because Velvet has naturally what pipe smokers want-real simonpure tobacco taste and fragrance. It's just good, honest Kentucky leaf, made still more friendly and mellow by two years' ageing in wooden hogsheads Just good. tobacco. That's all. But it's mighty near enough for the man who wants a pipeful of tobacco and not a box of bon bons.

The picture of a pipe on the tin needn't keep you from rolling a jim-dandy cigarette with Velvet.

How's the Velvet holding out in your old red tin?
