Cheer up. A smile is no more expensive than a frown. Yes, this is a good town. But do you ever tell others so?

This year every cîtizen should vote, -vote right-but not often. * * * * * A wise man sees his own faults---The fool sees only those of others. To escape from the piker class, votes should also advance in price.

Sunshine is an aid to health until it becomes so hot it is an aid to the doc- over here for her own good. But we * * * Time waits for no man—but it just vokedom.

before a mirror. Some people, we suspect, are keen on discovering the faults of others order to cover up their own.

When you get hold of a good thing, William, hang on to both ends. middle sometimes gives away.

And still, we are firmly convinced that the dawn of universal peace still in the realms of the dawns.

There is a dainty maid in this town TITE are a nation which stands for who doesn't like to be kissed-so she W right and justice. says. And she's such a martyr! * * . *

** * *

We're just pining to scratch off an editorial on the low cost of something. But we can't find the something * * * . Prohibition, we are assured, is cre-

ating a void in the jails of the country -ditto the stomachs of its citizens. * * * * Regardless of the fact that we have national prohibition, many people a heavy rain.

* * * Read and save.

* * *· The bright star of hope shines probably solve the riddle. But Solosteadily before us all, but we never mon is no more, and none of us 'have see it so long as we keep our eyes qualified to take his place as the wisglued to the ground. est of men.

Note, please, that the oratory of our presidential spellbinders was com- both sides wrong, and the public pletely eclipsed the other day. But it took a tornado to do it.

who is right and who is wrong. Food is going up, clothing is going up, smokes are going up, everything brain over something one can't unde is away up, and if something don't tand, for it would take the wisdom come down soon we'll all blow up.
