TO ALLEVIATE THE HIGH COST OF LIVING

We wish to impress upon your mind that our merchandise, no matter in what department, has always received the utmost consideration regarding the legitimate profits which are normal in any well conduct-A have and are always in keeping with the prices marked upon thom.

WAYS AND MEANS Two ways to sell things these days:

ONE-To sell for by one time customer"-the sale to the man who probably will not come in again. THE OTHER-To sell to people who are likely to "repeat"-who !

nay be in to buy again in a day or two. At our store we have only the second principle. Every customer is , E , a possible "repeat." We're so very, very careful to see that he gets If daughter, Mrs. Merrit Osmin, of Wes' the best attention, the best values in clothing and Men's and Young Hi Greenwood Men's and Boys' wear. Spring Suits at \$25.

Spring Suits at \$30, \$35 and \$40 which we think and know are i wearable to the last thread and we can safely guard them with our personal guarantee regarding color, wearing quality and shape retaining. Styles are varied - for the young men, close fitting with or without belts, single or double-breasted. For the more conservative-a semi-fitting coat, and for the men who like the looser garment we have these shapes also.

Our Roys' Clohing is guarded in the same way our men's and young Hi Wednesday, and Mrs. Murdock re-"men's are. They must give satisfaction. If not, the only inconvenience to you will be to return and exchange for a new garment. THIS is your safe guard in buying here. Aren't we the kind of a i store you want to know-TO-DAY?

Triplex Springs Insure Riding Comfort on All Roads. Overland Four-Door Sedan Insures Comfort

THE SUPERIORITY of the Sedan for autumn, winter and spring is even more emphasized in the wide range of summer motoring. It's thick permanent top is a cooler shield from boiling sun. Breezes are freely admitted or entirely excluded at will. Rain, dust and sudden cold, are shut out at Jour command by heavy plate glass which never cuts off your vision or leaves you feeling "Shut in." Now the Overland Sedan adds to all this convertible convenience, the riding comfort of Triplex Sames, and extraordinary light weight economy.
