Auburn Beauty Six

Probably you have had the idea that the Auburn was away be-Youd your consideration. Most people have that idea, and they are justified in it. The Auburn LOOKS like a \$4500 car. It PER. A FORMS like a \$4500 car. RIDES like one, and HANDLES like one. A Practically nothing that is found in the very highest priced car is missing in this one. You get it all with the guarantee of twenty years auccessful automobile building experience when you buy the Auburn. And why do you get it so reasonably priced?

Because the Auburn people are pursuing a different policy from A most automobile builders. They are not doubling their capital every few months with stock dividends and pushing production to the danger point. . They are satisfied with reasonable profits and prefer steady 7 and sure progress to mushroom growth. The very soul of the builder A and the reputation of the company is built into every car.

This policy has made it increasingly difficult to procure Auburn A cars. But after many months have succeeded in getting a limited A number of these cars for Allegany County and the EXCLUSIVE AGENCY FOR THIS TERRITORY. If you are interested in a really high class car, sensibly priced, we invite your inspection of the Beauty

As to Price

Beware of the seller who quotes you "f. o. b. factory," then tacks on freight, war tax and other items running the final cost far above the quotation. All the Auburns are six-cylinder cars. They include the Four or Five-Passenger at \$2010; the same car trimmed in Spanish Leather and equipped with cord tires at \$2110, the Two-Passenger Roadster, Sport Model, at \$2100; the Coupe at \$2775, and the luxurous Sedan at \$2925—in all cases delivered to your door any. where in Allegany County. .

Other Cars We Sell

We are agents also for the. Ghelrolet in the towns of. Cuba, Friendship, Amity and New Hudson, and for the Studebaker in the western half of Allegany County.

Public Turns to This Type as Coolest in Summer and Coziest in Winter

LAND DISPLAY

verland Sedan With TRIPLEX Springs Provides Light Car Economy and Riding Comfort

Heigh-Ho-Hum! May is here. May, that month when folks seek light clothes and relaxed ease; when memories of winter are dulled by balmy of summer sales and eager shopping Have you done your motor car shop-

make a comparison all around the market before making a choice. May folk buy heavily in the motor car market. Time was when Auto Row trotted out the open touring models with tops down and buttoned jup neatly. That gave a suggestion of sunny, open country.

it does rain in summer and the car! you drive in the summer you also has set in everywhere in the United States for the Sedan type of motor car for use 365 days in the year.

In recognition of this desire for economical automobile purchases evidenced in the trend toward Sedans, The Willys-Overland Company holding a nation-wide exhibition ne Sedan from May 3rd to May 15th. the exhibition in this city is now at the store of Parker & Martin, a exhibitions are planned to give the man and woman who goes motor car-

shopping a free and unusual opportunity to study all the advantages "Few people buy more than one a car" says Mr. Parker. "Ninety per cent. of those who own open touring net a car for all-year service?

"Because of its light, sturdy, balanced construction the Overland Se-A dan with Triplex. Springs makes an
