Don't Waste the Money You Work so Hard to Get

Put it in OUR BANK-Save it and have it SAFE. Those older men you see taking it easy and enjoying the comforts of life, didn't get their money by gambling or "get-rich-quick" schemes.

While they were working hard for their money they were regularly putting some of it in the Bank. Then they knew where they could always get it and have the advice of the Banker.

Come into our Bank-you are WELCOME.
