Other men have dared new systems of government, but Jesus established a brotherhood of men. Above every name His Name! If God should come in the fashion

of a man, He could not be more heantiful in character, more friendly

With remarkable analysis of the nature of the mind of Jesus, the writer of the epistle to the Hebrews cannod Jesus the express image of God, the effulgence (out-shining) God's glory. In Jesus we see as much of God as could be crammed into a haman being. We see the look the Father!

Jesus has been the world's greatest benefactor by reason of His two great' spiritual ideas.

God cares there's every reason seeking to know Him. If man is im- Awaiting that moment. mortal there's every reason for helping him in finding himself.

ply, and in these ideas lies the way
