PREPARE TO TEACH

Teachers are scarce: Salaries are increasing. The greatest opportunity for service is in the teaching field. A wonderful opportunity for rendering a great service to the rural regions and to your nation awaits the teacher who will prepare now. Recent legislation has increased the salaries of rural teachers

until they compare favorably with any other field of work. THE NEW YORK STATE SCHOOL 's OF ACRICULTURE

> At Alfred University Will Start on October 4

A RURAL TEACHERS' COURSE

Open to High School graduates.

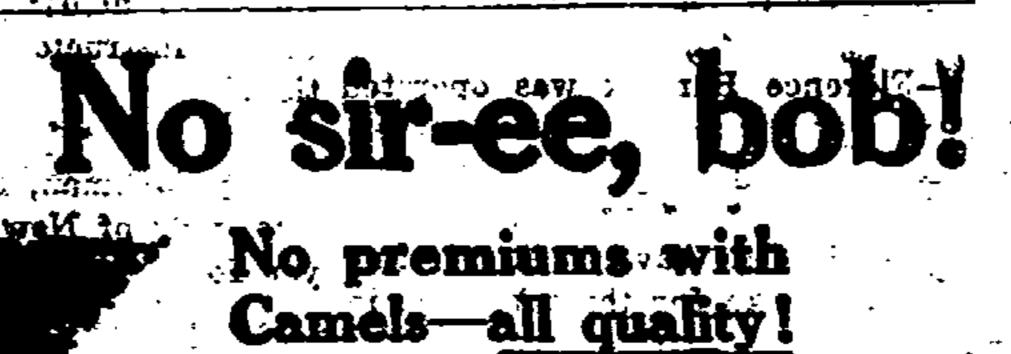

Length two years.

Tuition free. Living expenses the most reasonable in the state. Certificate, three years, renewable in five year periods. Also entitles to certification as Junior Project Leader.

This course also gives a thorough training in Home Economics. For further information address,
