Socony service has grown similarly with the needs of the automobile users of every community. It has not been content with merely supplying these needs but has usually anticipated them. For a decade, in city and country alike, the Standard Oil sign has been a symbol of

dependable service and quality. Socony gasoline is made and sold today under standard conditions. Every gallon is like every other gallon—as clean, quick-starting and full of power and mileage as the most modern refining methods can make it.

For complete, all-season motoring satisfaction, fill up regularly with Socony gasoline—you can get it everywhere. Look for the red, white and blue Secony sign.
