"I ATE PIE FOR THE FIRST TIME IN EIGHT YEARS," SAYS MRS. RYAN

This Lady Could Eat Only the Plainest Food and Not & Much Of That Until Goldine No. 1 Straightened Out Her Stomach and Brought Back Her Health

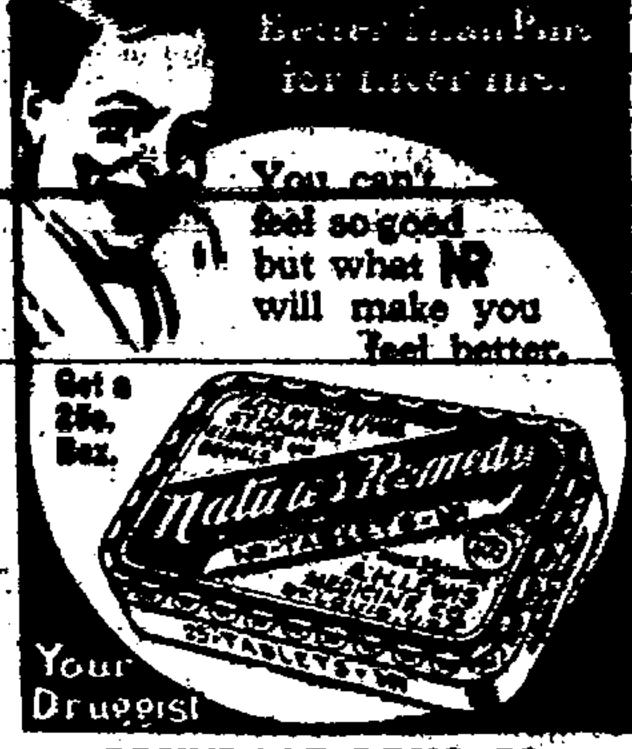

When All Others Failed

"It seems wonderful to think that I can eat what I please and when I

please," says Mrs. Fannie Ryan. "For nearly eight years I suffered with stomach trouble and could eat only the plainest of foed and very little of that. Crackers and milk was my usual diet and often at a time without eating. I lost weight and looked, like a skeleton. My cheeks were sunken in and my eyes seemed to be popping out of my head. Medicine first got Goldine No. 1. and it took hold right away. I could eat more gradually at every meal. Now, after taking several bottles of Goldine No. 1., I can eat everything I want to and it seems to me now as if I had never had any stomach trouble. I had pie the
