BEST FORM OF WIND MOTOR

Machine That Will Work in Perfect Calm is Recent Invention of a Swedish Manufacturer

ag a wind motor that works so steadly as to be used profitably for generating electricity failed because wip motor and generator were directly consected by a rod, and the quantity of electric current was in direct proportion to the power developed by the A Stockholm (Sweden) manufactur-

ler succeeded recently in constructing a satisfactory wind motor. While the wind is strong only part of the motor's power is utilized to drive the That whispered Word sent Him to men's doors offering for bitter bread His generator, while the surplus power lifts a heavy weight attached to an endless chain. When the wind is not strong enough to furnish sufficient motor power, or ceases wholly, the ger erator is kept in motion by the force '

of the slowly falling weight. The famous Swedish engineer, Janson, figures that the generator is kept Working at full capacity even if abso-He set ghosts of Thirsts and Hungers at the gate of fat content, clamoring; lute calm prevail for three days.

Improved Aluminum.

A curious new form of aluminum has been attracting attention France. When the pure metal is heat-1,100 degrees Centigrade; and the whole is volatilized in 30 hours a 1,200 degrées centigrade. A small portion always proves less volatile than the rest. Quite often a kind of fractional distillation yields an aluminum residue that has increased affinity for ] oxygen, and within a month this it completely changed into a bulky gray. ish-white mixture of alumina and aluminum. One suggestion is that im purities of iron or silicon impart this éculiarity. But analysis shows only four per cent of iron and five per.cent of silicon, and the form of metal so gan, to tone up your blood and puri- poses with no tendency to become oxify it. Get the full enjoyment of liv- dized. It is concluded that the easily

"I ATE PIE FOR THE FIRST TIME IN EIGHT YEARS," SAYS MRS. RYAN

This Lady Could Eat Only the Plainest Food and Not Much Of That Until Goldine No. 1 Straightened Out Her Stomach and Brought Back Her Health When All Others Failed

"It seems wonderful to think that I can eat what I please and when I h

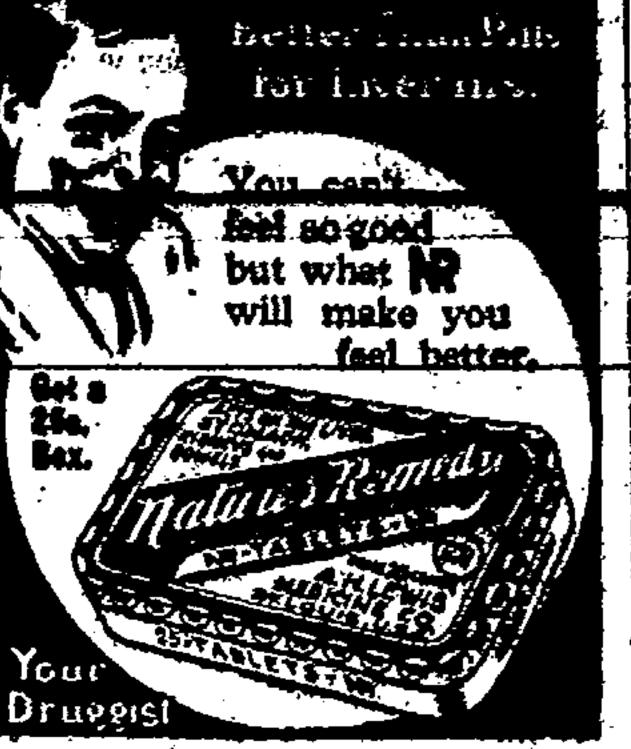

please," says Mrs. Fannie Ryan. "For nearly eight years I suffered with h

stomach trouble and could eat only the plainest of food and very little of that. Crackers and milk was my usual diet and often it eyes seemed to be popping out of my head. Medicine first got Goldine No. 1. and it took hold right away. noticed that I was not distressed after eating and that I could eat more gradually at every meal. Now, after taking several bottles of Goldine, No. 1., I can eat everything I want to and it seems to me now as if I had never had any stomach trouble. I had pie the last three days and it was the first time in eight years. I wish that I could tell everyone personally what Gol-

dine will do for them if they have stomach trouble.

It seems a pity that so many should suffer when they can get relief with this Mirron received great relief from Goldine.
