Skilled Service Mr. Harry Burns Says Goldine No. 2. Drove All the Pains and Aches Out of Him and Now He Can Walk Without a Cane For the First Time in Four and One-Half Years

> "I wish I had come across Goldine four years ago," says Mr. Harry Burns who is surprising his friends now by striding along the streets without the aid of his cane. "The rheumatism got in my legs and had the muscles all tied up. For a while I had to stay in bea but I found I could get around a little by using a cane.

Everyone got used to seeing me limping around and guess they thought they'd never see me any other way. A little over a month ago I got some Goldine No. 2 at the drug store. I'd tried about everything else and hadn't got any help but I didn't want to pass up Goldine for fear it would be the one thing that would help me. I'm mighty glad' I got it. It seemed to drive those pains right out of me. My legs limbered up and the other day I tried walking without my cane. them that Goldine was what had helped me and I guesa everyone in the neighborhood with rheumstism is taking Goldine No. 2. now.
