ANY quaint sections of old New London are familiar to thousands of New England motorists.

There is a main Socony depot there and many well-distributed filling stations to assure a dependable supply of gasoline and motor oils for all who need them. The excellence of Socony products and

Socony service is uniformly high. Unequalled experience in petroleum refining and progressive methods of distribution have made them possible. Socony gasoline is always clean and powerful. Every drop of every gallon is the same whenever and wherever you buy it. It vaporizes quickly, ignites easily and burns completely in summer and winter alike. It is the standard of all motor fuels. Use Secony products regularly. You will notice a favorable difference in the performance of your motor—more power, greater mileage.

Look for the red, white and blue Socony
