BEFORE JANUARY FIRST 1921

On account of our foresight in purchasing two years." Republic Light, Heat & Power Co., supply of print paper before the advance in paper, it has been possible for the News to keep the price at \$1.50 a year while other Allegany County newspapers have been compelled to charge \$2.00.

Our supply of news, however will be exhausted Jan. 1, and we will have to replenish our stock of 41/2c paper with 15 to 18c paper. This will necessitate our raising the price of the News Jan. 1, 1921 to \$2.00 per year, as have the Leon A. Hardman, Richburg, N. Y. other weekly papers in the county.

But we have made it possible for News readers to: drive away the evil day at least a year longer, if not altoin the State of New York natural gas gether, as we have determined to allow any one who so dein furnaces sires to subscribe for the News at \$1.50 before Jan. 1, 1921, other fuels, from and including the and pay a whole year in advance at that time and rate. first day of November in each year But in order to take advantage of this offer it will be absountil and including the 15th day of lutely necessary to pay at that rate before Jan. 1, 1921.

We agree, that should the price of print paper be resion a wasteful device and practice, duced to normal, that is to less than 6c, we will reduce the

At present it costs us over seven cents a copy to print could be a condition out of which has come a sion from the evidence that the sup- 2. For the purpose of this order the News, and at \$2.00 per year we get only about 4c from
