### PEPTO-MANGAN, NATURE'S BEAUTIFIER

It is the Coloring Matter of Pure Blood That Makes a Good Complexion

Beauty is more than skin deep. No one can have a clear, delicate skin, glowing with health, if the blood is impure or lacking in the vitally necessary iron that gives the coloring matter to the "life fluid." Neglect of regular and necessary waste elimination, helps to render the blood impure and reduce its iron content. The best cosmetic in the world is pure, healthy, iron-rich blood.

Doctors, realizing the importance of enriching and improving the blood have for years prescribed Gude's Pepto-Mangan, the pleasant and proved blood-builder and tonic.

Pepto-Mangan contains just the elements needed to change thin, watery blood to good, red blood. Pepto-Mangan builds rich, red blood, enabling it to carry strength and vigor to every part of the body.

Gude's Pepto-Mangan has become so well known, by reason of doctors recommending it, that you can get it in tablet or liquid form at any drug store. Instead of trying to cover up a poor complexion, get a bottle of Gude's Pepto-Mangan and note how soon you feel better, sleep well, work harder, play with more zest — and how your skin and complexion are improving.

Only make sure to get the genuine. It has "Gude's" on the package. Advertisement.

## The Easter Costume Complete

Do you seek in your Easter Costume distinction in line and design? Do you want the suit, wrap or frock to have the irresistible designed-and-made-for-you air? If you would have all these combined in one, you have only to choose from our authoritative Easter displays of Fashion. The wide range of frocks that have individuality of suits unique and original in design, cannot fail to make your choice of an Easter costume a success.

As Coventry Patmore says:  
"Nothing so shocks and repels the living soul as a row of exactly similar things, and nothing so de-lights and edifies as distinction."  
That is why the Babcock Ready-to-Wear policy is based on "ONLY ONE GARMENT OF A MODEL. And with it comes VARIETY and a wider latitude for choice otherwise impossible.

### BRILLIANT ORIGINALITIES IN SUITS

**Tailored Suits**  
For the woman or miss who desires the strict-ly tailored lines of the day and a real work-we are showing an interesting variety of models.  
Developed in all wool serges and tricotines, with linings of silk, and so expertly tailored that we can guarantee them for two seasons wear. Especially handsome are the broad silk and those trimmed with stripes of contrasting color. Selections and values that supercede any of the recent seasons.

**Costume Suits**  
Much grace is given to the youthful figure by the new box coat models to be worn, either hanging free or with a narrow belt, and different variations of the family circle effect. Many are fashionably trimmed with embroidery and stitching with partial belts or silk sashes and neck cords.  
While it is distinctly a navy-blue season, ample variety is offered in the leading shades of a lighter hue.  
Their low prices will astonish you.

Suits Priced at \$25 to \$75

**JERSEY SUITS at \$14.95**  
To the jersey suit is accorded just place as a practical, all-round suit for street and afternoon wear. The fact that the coat can be worn separately and is very chic with a light skirt, makes them doubly desirable. They are here in a number of becoming styles and colors, at a price that is exceptionally low.

### Like Budding Flowers—These Dresses

—reveal the beauty of Springtime and a new season. Canton Crepes and Taffetas are destined to enjoy a vogue never equaled in any previous season. Success awaits the dramatic touches of color on navy blue, grey, Harding blue or black. Fashion tests her mettle by decorative application of golden thread, a silken flower, a spray of beading or the grace of clever lines.  
The modish dress must have either a narrow skirt or the wide circular skirt of colonial influence. The large choker collar with contrasting color-facing is also a late development.  
There are the new creations of serge or tricotine, with their beautifully embroidered or elaborately-branded ornamentations, and the figure of large proportions has been fittingly remembered in the new tricotine costume that flatteringly slenderizes.  
And all are so pleasingly modest in price.

**TWO TYPES OF COATS**  
For sports and general utility purposes there are sweaters, three-quarter length, knee models. For afternoon and formal wear they follow the wrap, cape-like mode with the fashionable low-shoulder.

SILK FROCKS	\$14.95 to \$79.50
WOOL FROCKS	\$9.95 to \$45.00

### Pumps, Oxfords, Colonials

Are more than mere objects made of leather. They're filled from toe to heel with things which cannot be measured or counted. Fashion, proportion, quality in every detail of construction and spirit, conscientious inspection, assured fit, and above all J. & L. reputation for producing the best footwear in the land.
